I ♥ Yuma

Photo by FeDon

The 1983-84 school year at Yuma High was one of change, yet much stayed the same; time flew by, yet sometimes it seemed like it wasn't moving. It was a year to work, to play, to laugh, to cry. It was a typical senior year for me. Much of the senior class felt the same.

As for the underclassmen, their time will come. They will find that after four years, which get more hectic by the year, it will suddenly be over. No more bells, no more zero periods, no more cafeteria food. And for me, no more yearbook deadlines, no more fighting with photographers, no more staying up nights correcting pages, no more hassle . . . I'm really going to miss it.

We saw Old Ag building get torn down, to be replaced by a much-needed library-media center/science/math building costing almost \$5 million. But as the building fell I wondered about the hundreds, thousands of Crims who had spent countless hours in that building. But the old must make way for the new.

There were some sad times. Mrs. Shirley George, a reading teacher who truly loved her students, passed away. While not many students had contact with her at the District Office, Mrs. Florence Birmingham, the superintendents secretary, will also be missed as she passed away.

There were new faces and procedures. The computer was going full blast on attendance, report cards, grades and reports. It was the one that kept track of that fateful 10th absence which could have meant no credit. It also spit out the eligibility list which decided who would, or more importantly, who wouldn't play in that game or go on that trip.

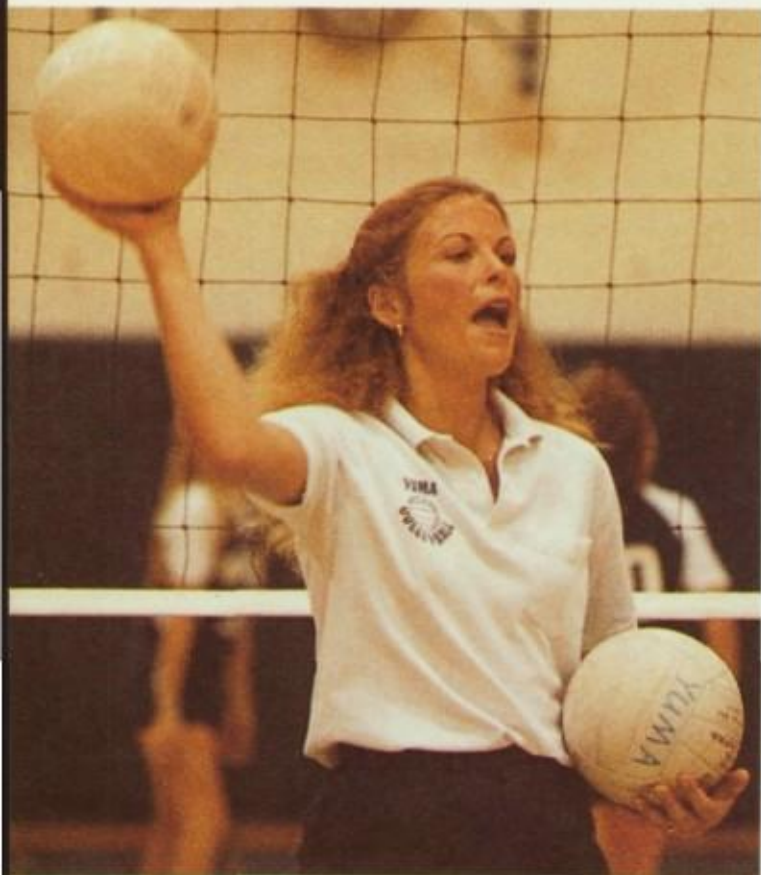

Mr. Holland's first year as vice principal was something he will always remember. But things did smooth out and turn out for the better. Mr. Murrell got a chance to see how Arizona athletics compared to those from South Dakota, from where he came to become our athletic director. He also had his hands full with the rules, regulations and discipline of student conduct. That leads to the in-house suspension. Does it work? Only time will tell.

Then there were the Thursday hamburgers, the Yuma-Kofa events which we happily came out on top 28-8, the yellow busses, Mr. Drysdale's aging jokes and the blue and white and tan(?) buildings.

Next year, juniors, it will be your turn to find out how to become a year older, eons wiser and a BIG, BAD Yuma High senior.

Next year you will have another El Saguaro. Maybe with color, maybe with not. Maybe good, maybe not so good. But one thing will be for sure. It will never beat the 1984 El Saguaro on which I was proud to serve as editor.

Homecoming: A Sparkling Success

Homecoming night was definitely a night to be remembered. The excitement began at the game and just got stronger.

Opening up the halftime activities were the class floats. The Senior class float was awarded the trophy for best float.

This years theme was "When You Wish Upon A Star."

The crowd cheered when the top five were being escorted on brand new corvettes. And when Diana Ibarra and Marcos Jones were pronounced King and Queen for the 1983-84 school year, the crowd went wild.

Then the momentum carried on at the dance, where Diana and Marcos took their place on the thrones. All these events led up to one very unforgettable night.

Choosing a king and queen has never been an easy task and this year was no exception.

The top five boys and girls had a very tiring week. Throughout the week they participated in daily contests which were full of fun. They started the week with an M&M contest and ended it with a fashion show that showed the students the proper attire for the dance following the game.

It came time for the top five to be brought out onto the field. The crowd cheered them on while they took their stand. The magic moment went to Marcos Jones and Diana Ibarra. Congratulations to both.

During one of their routines cheerleaders Ani Injeian, Mary Hurtado, Amber Marchant and Missy Alka swing to the music.

The Yuma High Varsity Cheerleaders did a tremendous job of keeping up the spirit throughout the 83-84 school year.

The girls went to camp last summer and brought home many awards. These awards are very important because it shows just how much spirit and enthusiasm they have and show toward our school. With this type of excitement the cheerleaders are able to get the student body involved.

They worked hard on different types of cheers. As cheerleaders they are required to know certain skills that enable them to be such assets to YHS.

Their sponsor was Judy McLeod

The 1983-84 squad is sponsored by Mrs. Judy McLeod. Co-captains are Jocelyn Varela and Carmen Lopez. Other members include Michelle Choules, Michelle Garcia, Stephanie Lee, Darci Leeper, Janet Malbrough, Samantha Slavin, Shawn Taylor, and Tammy Wolf.

The girls were busy last summer raising money to attend camp. Camp La Jolla was alot different from years past. It was a learning experience rather than competing against each other. It was focused on bringing out the good things in people—and thats what the girls did—they brought the best out in Yuma Highs Spirit.

Juniors Cheer Hard For Their Team

This year's junior varsity squad consisted of four cheerleaders. They are Deidra West (Head), Yolanda Bermudez, Joan Vermilyea, and Paulette Schumack. Cheerleading is a very hard but rewarding activity.

The JV Cheerleaders attended a cheerleading camp at LaJolla, California. While they were up there they were also very successful. They brought back 2 spirit sticks, and cheerleading ribbons.

They support the freshmen team as well as the junior varsity. Their sponsor is Judy McCleod.

The Yuma High **Thermometer** is a campus publication that has been in circulation since 1921 and is distributed free throughout the school year.

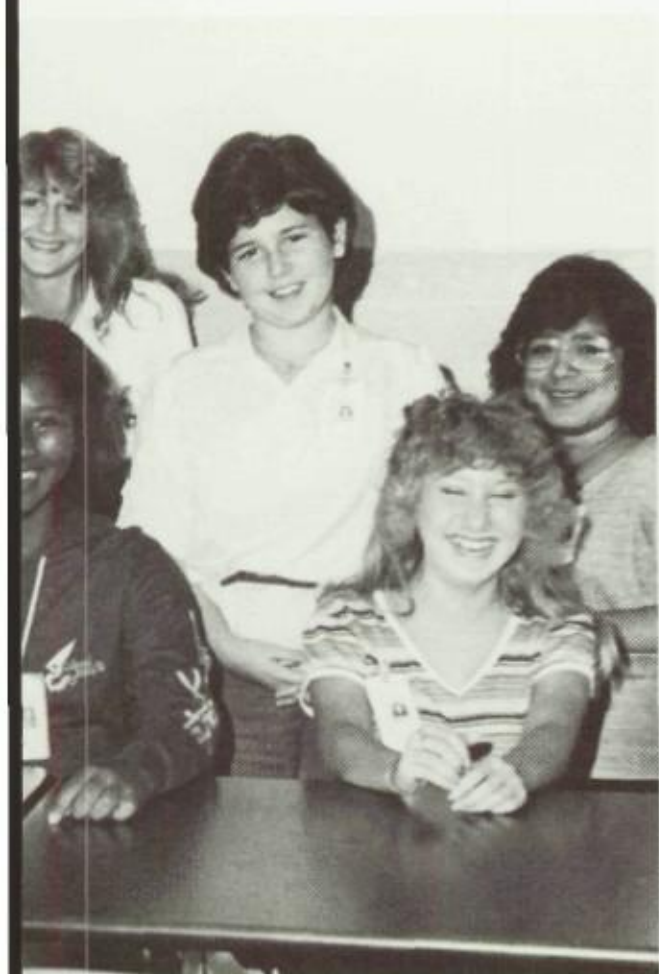

Thermometer is combined with the journalism class to bring more coverage of school events and to give the journalism students on-the-job training. The **Thermometer** is normally put out in a four page format. It includes club news, feature stories, sports, editorials and columns.

Advisor Neil Johnson and Editor-in-Chief Lori Myrland, along with the staff editors and writers, bring the news to the campus public with firm dedication.

This year the Thermo crew put out extensive coverage of our homecoming and the annual Yuma-Kofa clash, along with regular stories. The **Thermometer** is also the only campus activity protected by the Constitution.

Exchange Offers Travel, Friendship, And

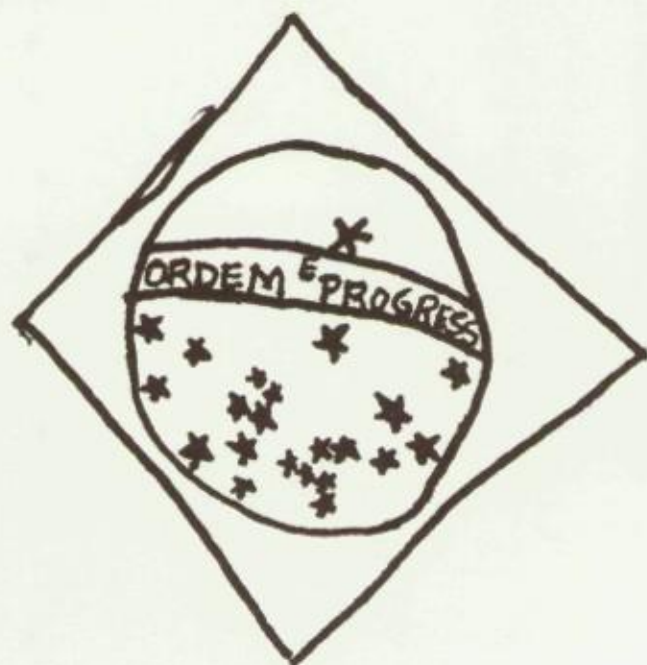

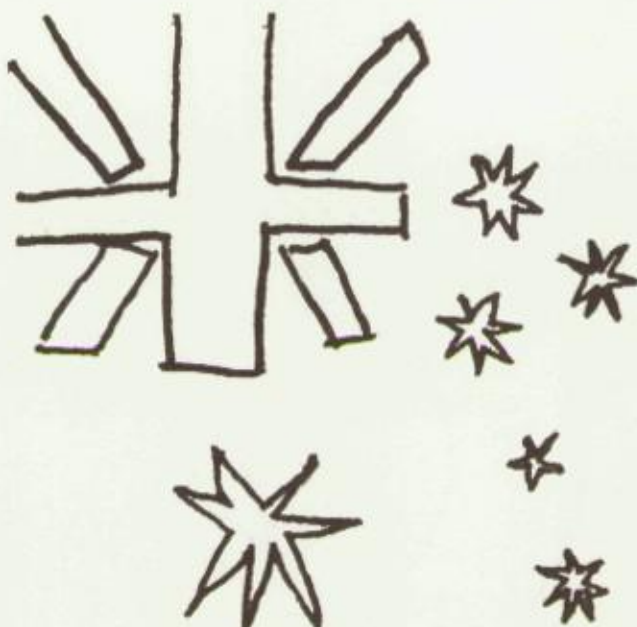

"It's different. I like it but I wouldn't want to stay here for ever." Isabel Quiros, from Barcelona Spain, is sponsored by AFS and is staying with the Clay family. When asked about the education in the states she claimed, "It is very easy for a high school but I like it." Like every student going through their senior year she notes her not-so-popular class as Civics/F.E. Isabel fit into Yuma High quite well and to talk to her is when you really get to know the person inside. She wants to continue to travel only after her reunion with her family.

Elizabeth Rose, sponsored by Rotary, has come all the way from Jennacubbine, Australia. When she arrived at Yuma High she says, "It was all a big shock. I love the school spirit and the students are real nice."

An interesting fact about Elizabeth is that she has a twin sister.

Elizabeth wasted no time in getting actively involved. She is in the modern dance club, for one, and attends student council meetings on Mondays. Elizabeth will return to Australia in January of 85.

This year will be one of learning for Carmen Santos. She comes from Taubate, Sao Paulo in Brazil and is sponsored by Yuma Rotary Club.

Her ambition in life is an all-so-familiar one—success. She would also like a family.

Carmen's first impressions of Yuma High was that the big school scared her a little, but now she's used to it and likes it.

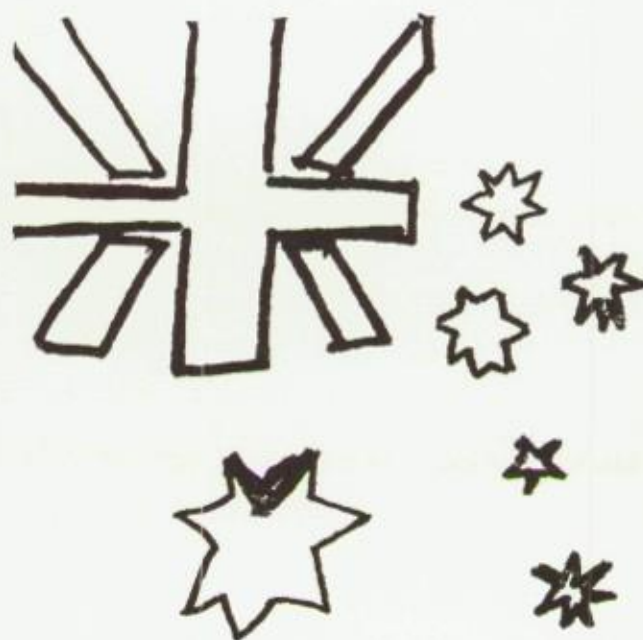

Although there's a language barrier it isn't difficult to find out about Carmen and her country. She seems friendly and ready to learn about our culture.

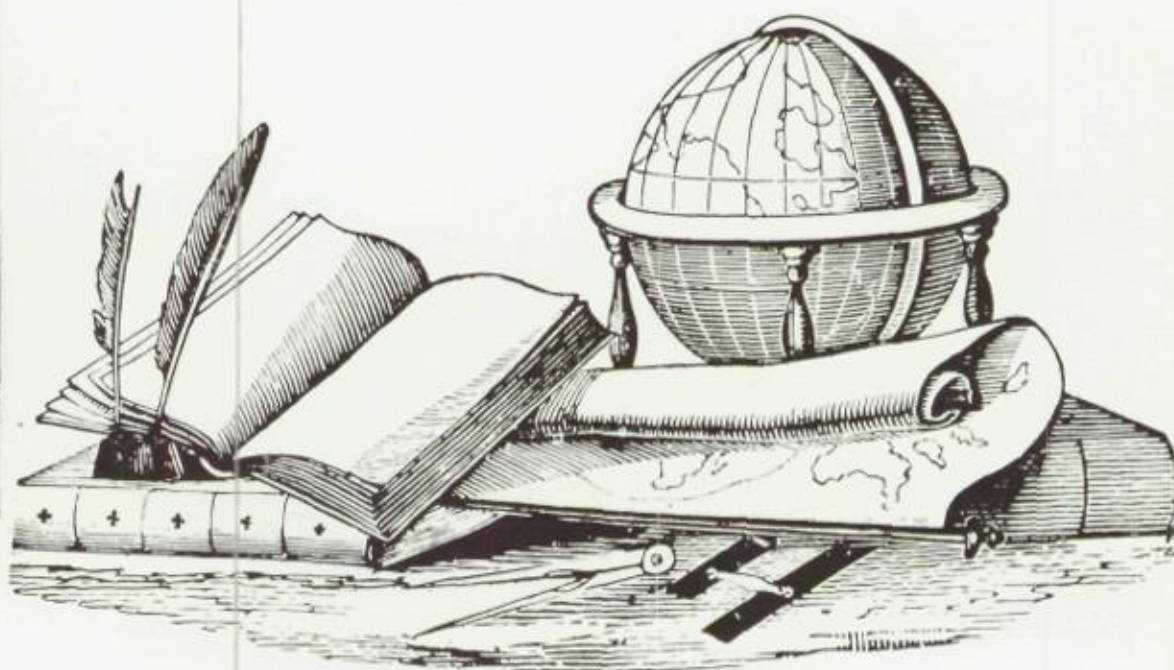

Knowledge To Students

Most students were fortunate enough to have the opportunity to get acquainted with James Farmer. He came from Swan Reach, Victoria, Australia and was sponsored by the Yuma Rotary Club. He left for home on January 12 of 1984. This year that James was in America didn't count. It was just for a learning experience in another country. Although James was homesick his first two weeks in Yuma, he really enjoyed being here and would gladly do it all over again. Yuma High would gladly welcome him back too!

Istanbul, Turkey lent us Berna Tunali for a semester. She was sponsored by AFS and would like to travel more to learn about different people and cultures. Berna stated, "People are always smiling here and look happy. I like to see that. I also like the relationship between teachers and students. It's very open and friendly." She thinks education is easier than in her home town. Although she was here only a semester, she left Yuma High a part of herself and her country. Good luck with what ever you do, Berna!

Choralairs Dance To The Music; Go On To Hawaii

Choralairs, as we know them today, were established in 1964. Choralairs have performed for an estimated 10 million plus people since their first years. Their music lifts the heart and starts the foot to tapping. They have performed in Hawaii, twice, and for President Reagan at the White House. They have helped raise money for almost every needy program in the city of Yuma.

This year Choralairs celebrated 20 years of musical happening with a reunion concert. "Home for the Holidays" featured music from each year and special soloist from that year.

Next month, the Choralairs of this year will be going to Hawaii to participate in the Hawaii Festival of Music.

Choralairs belong to Yuma High and are what they are through constant support from faculty, administration, and the best student body in the state.

Flag Girls Sway With The Band

Flag girls are a group of talented young ladies who perform along with varsity band. They are selected towards the end of the year and are required to attend one of the many flag camps.

The flag girls performed with the band at all home football games and traveled with them to

ASU's Band Day.

They are sponsored by Irene Carvajal, who dedicated her time in helping these girls perform to the best of their abilities. These girls also dedicate their time in helping to add color and spirit to the band.

Jazz Band Shows Its Abilities

This year's jazz band started out with a whole new program. Jazz band is a group of musically inclined individuals who dedicate their spare time and abilities in performing to boost the fine arts program here at Yuma High.

The group met after school to improve their playing skills and to rehearse for performances they had throughout the year. They were directed by Mr. Weakley who came to Yuma High with a jazz background and new styles and ideas.

Mr. McBride is the director of the symphonic choir.

These students have really enjoyed singing their happy hearts out.

This year the beginning choir did a great job. They were very organized & performed at many places. They did a lot of charity work: They visited Desert Manor and gave the elderly a feeling of warmth, the feeling of still belonging.

They also sold a lot of stuff for fund-raisers as

selling cookies. The funds they raised went to go to the state fair. Rumor has it they had a great time. Mr. Mc Bride said he had enjoyed working with this group very much. Mr. Mc Bride was the sponsor for both Beginning Choir and Symphonic Choir.

Anytown, An Experience In Leadership

This year's Anytowners attended a one week human relations camp in Prescott, Arizona. The camp brought together many students from High Schools around Arizona to discuss problems and situations which face us in our world today. Students who attend Anytown learn how to express themselves and help others with their problems. Anytowners are selected on leadership abilities and the concern for others. Anytown gives students a chance to meet many new friends and establish long lasting relationships. This years members are as follows: Shelly Turley, Frank Rios, Sharon Taylor, Lenny Fuchs, Terri Curtis, Jimmy Riley, Marcos Jones, Ramaj Balley, Richard DeVerse, Yvonne Olmos, Ron Ramirez, Amber Marchant, Mary Hurtado. Sponsor: Mrs. McCraley.

Casey Rice received the D.A.R. award.

This years students consisting of Travis Tebbie, Dirk Needham, Ramaj Balley, Shelly Ponce, Jennifer Bowen, and Cassie Rice attended a camp in Tuscon which was held at the UofA. These Students are chosen by administrative and faculty members who feel that they have shown superiority in leadership, abilities, character and honesty. The students learned about citizenship and how the governments legislature is run.

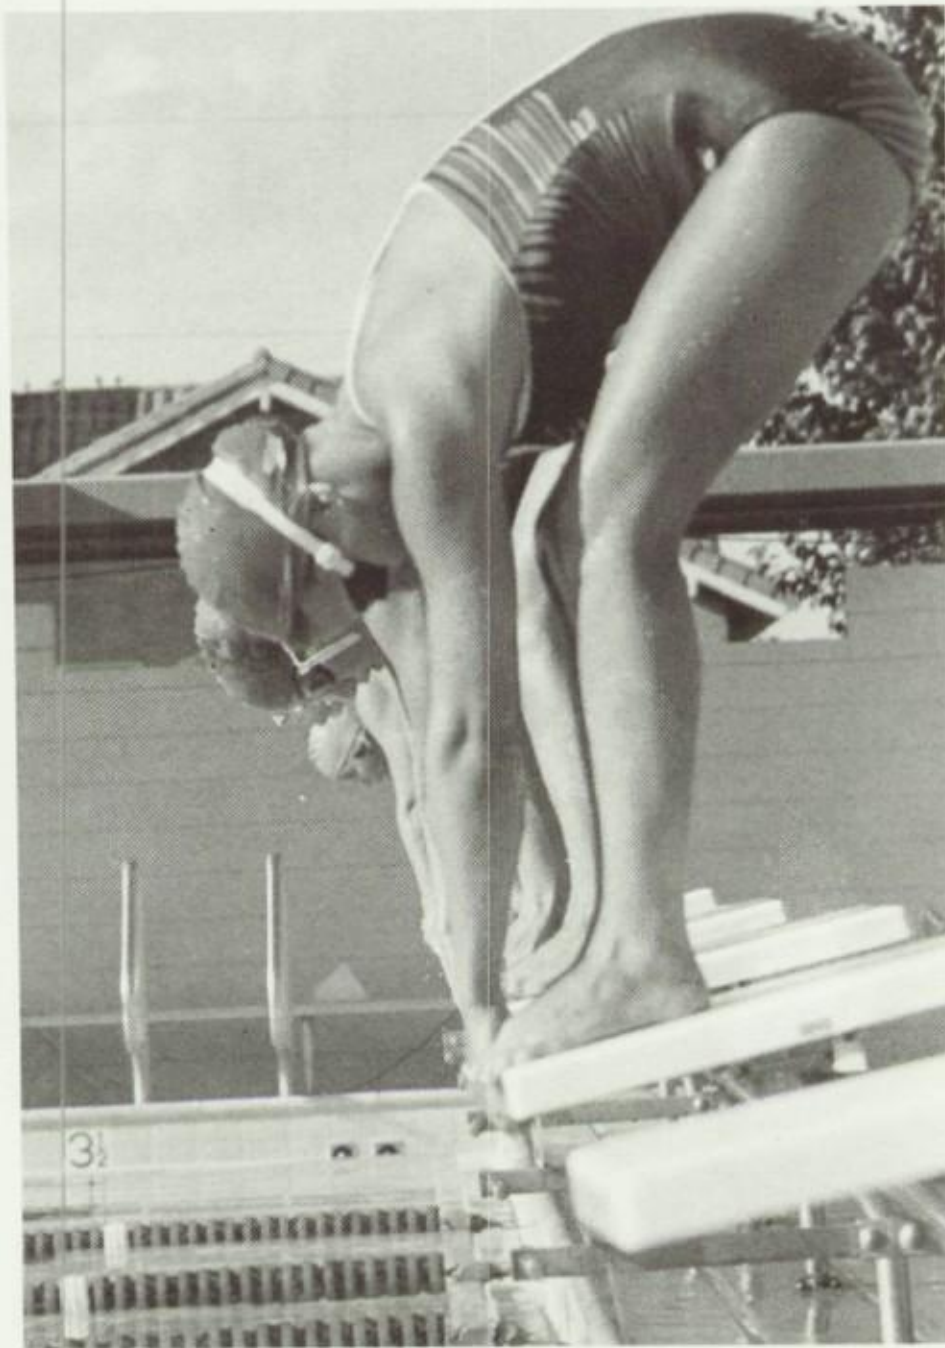

The staters had a series of different activities while attending the camp. While at state the students also met with students from schools around the state of Arizona.

Crims Varsity Gridders In Action

This years 1983-84 Varsity Gridders started their season off with a stroke of bad luck. But with a lot of enthusiasm, determination and skill these Crims improved their luck and showed us what sportsmanship was all about.

They ended their season with an overall record of 2-6-1.

The annual potluck banquet was held in the cafeteria January 11 at 7:30. This banquet is given annually to honor and recognize those outstanding players and those who played and supported each other throughout the football season.

The awards given for this 1983-84 year are as follows; Jamie Morrison, a senior, received "The Most Valuable Player," award. Chet Laird, a senior, received an award for, "The Best Offensive Player." Travis Tebbe, a senior, received an award for "Lineman of the Year." Mario Bernal also a senior, received an award for, "The Most Inspirational," for his constant cheer and positive attitude.

Yuma's Junior Varsity team had one very great season. We were undefeated all season long! We had a record of 6-0.

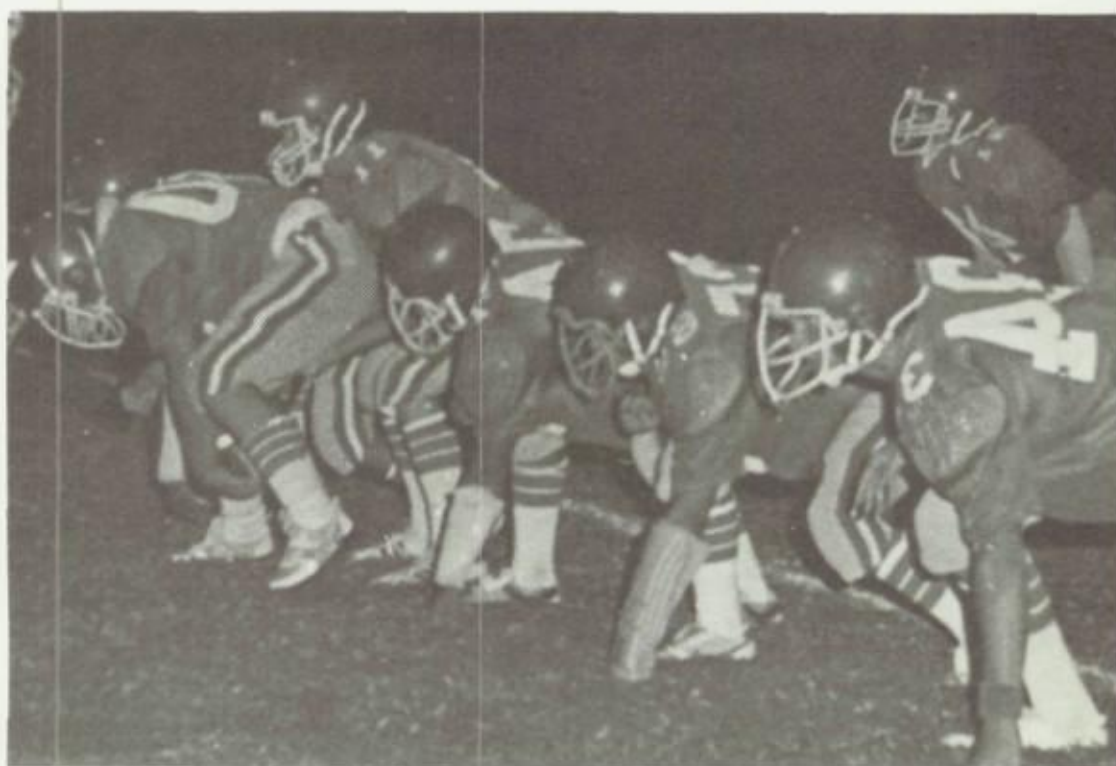

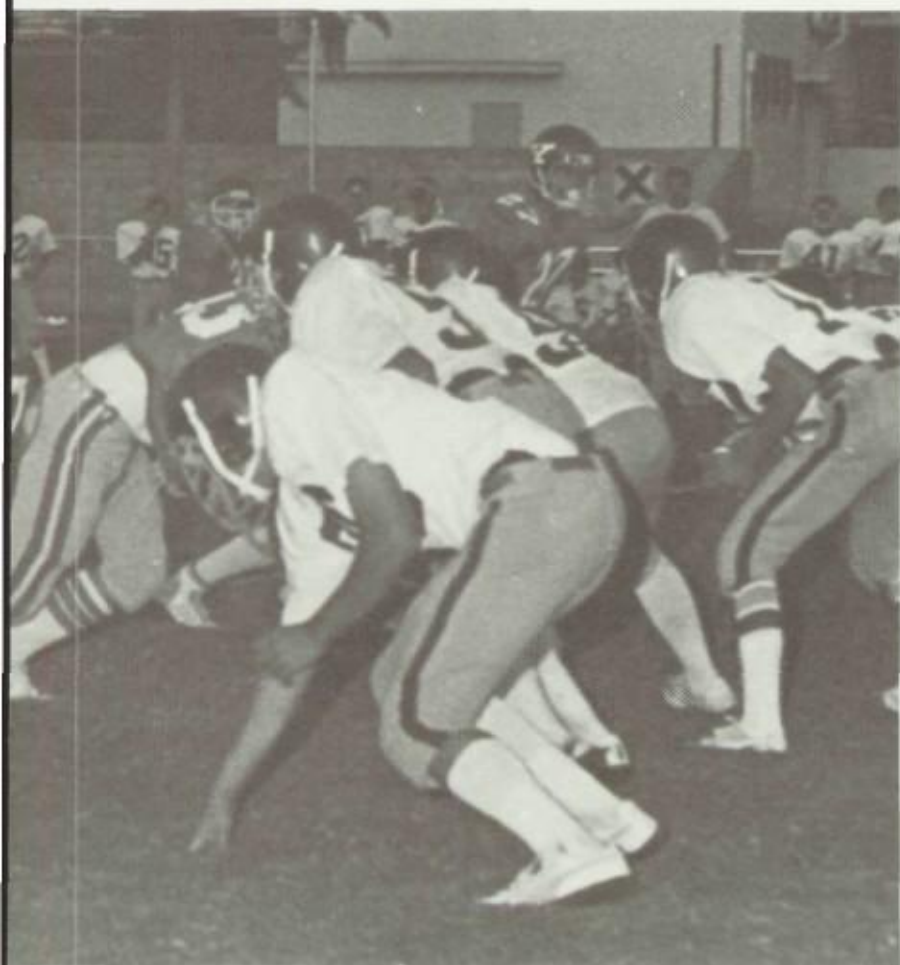

All the team players had lots of talent and good attitudes which contributed to making this a winning season.

Also a very important factor was the excellent coaching of Mr. Rudy Cabrera, Mr. Chris Magdaleno, and Mr. Mike Ruiz. They had the winning combination of experience and talent that helped lead the team through their victories.

We students should all look forward to a very exciting and winning Varsity Season because most of the players will be moving up. So we all will be looking forward to next year with great anticipation!

Frosh Football Fights To The Limit

Freshman Football this year put a lot of time and effort into their practices not to mention their games. Due to eligibility requirements and injuries throughout the season the team ended up with an overall record of 3-5.

The Freshman victories included Brawley with a final score of 18-0, Blythe 25-0 and Lake Havasu with 21-8.

There were four first year coaches who put in fresh new plans and techniques. These four men were Phil Kisselburg, Rich Halliwill, Mike Schmoker and Mr. Hopkins. Putting in a few of last years pointers was Mr. Mike Taylor.

Volleyball's Season Successful

Anne Shows us some height and skill.

The 1983 Varsity Volleyball had a successful season. This awesome team played well this year, and as fate would have it these Crims did a great job in trying to improve last years record. But as luck would have it, it wasn't possible, no matter these Crims are awesome and they did go on to compete in the Divisional Tournament.

Unable to compete in State because of a surprising upset lost to Kofa at divisionals, these Crims came home with an 8-4 league record and a 9-5 overall.

The annual volleyball awards banquet was held in the cafeteria November 21st, at 6 p.m. This years honors went to the following: Dana Jenkins, a third year player received "Second Team All Division Tournament Player," and, "Most Valuable Player." Wendy Edwards, a junior, received "The most Improved." Sherry Graham also a junior, received "The Coaches Award." and last but not least a four time "Sparkplug Winner," Alma Guzman.

All Good Things Must Come To An End

This year Junior Varsity volleyball did a very good job. They worked very hard and gave it their best shot even though the season record was only 5-8.

The team had a new coach, Miss Claussen. She is a new P.E. teacher, taking Miss Roots place, and doing a very good job.

Before she came to Yuma High she was the head coach of basketball and softball, in Kath-ieral High School in Indiana.

She stated she had great hopes for next year volleyball even though she thinks half of her team will be moved up to Varsity. The team this year worked together and made it through the season.

This year the team had a couple of baby crims. The freshman players were Julie Jones and Dena Pollard.

This year Freshman Volleyball did a good job. Their season record was an even 6-6. The team was coached by Peggy Logan.

Those girls who played exceptionally well throughout the season were awarded for their effort: Annie Hurtado was voted by her teammates to be the most valuable player. The most improved honor was shared by Elena Macias and Susie Ponce and the Sparkplug Award went to Lourdes Guzman who was always there to cheer the team on.

Swimmers chit chat before practice

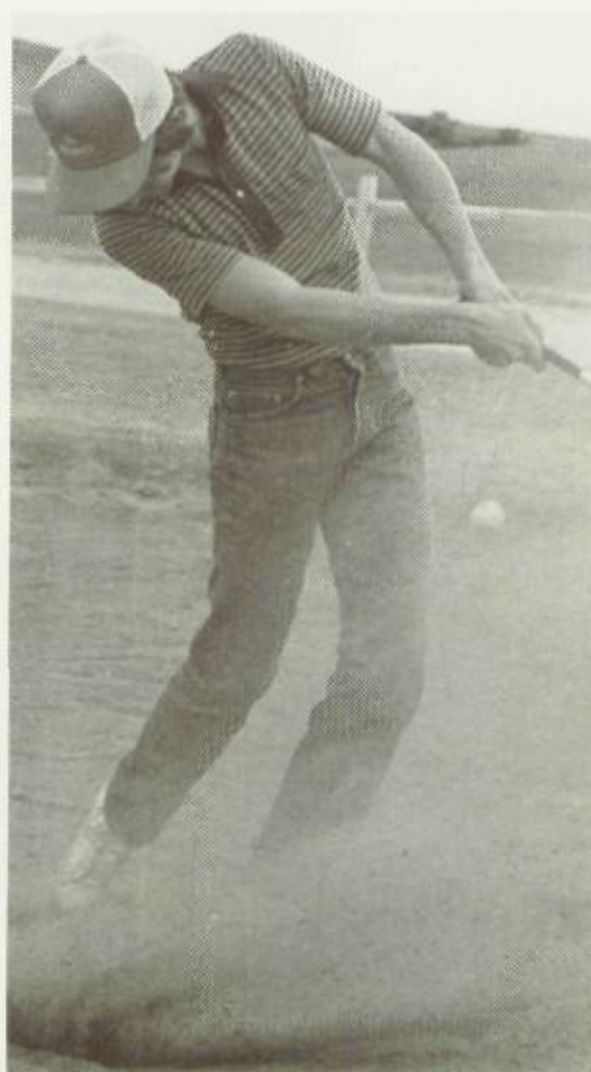

All good things must come to an end, and it did for this years girls swim team. For the past two years the girls have had a tradition of an undefeated season. But the tradition was broken as they lost 3 of the 9 meets.

This year the girls had a winning season under the direction of first year coach Keith Currie. Coach Currie dedicated his time and efforts along with the senior leadership of captain Patricia Morris and co-captain Jill Holland. The swimmers placed 6th overall at divisionals and worked together to represent Yuma High throughout the state.

Girls Golf Swing To Action

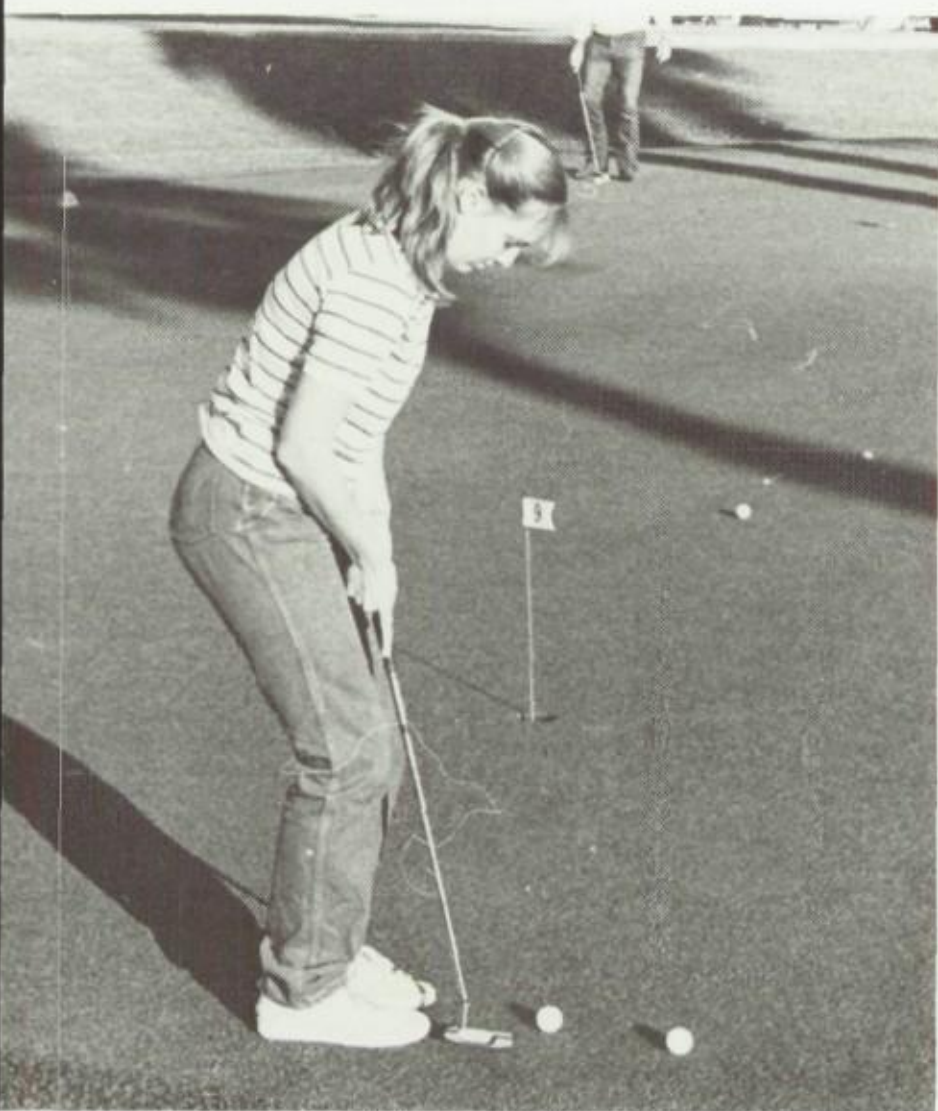

Yuma Highs Girl Golf team both started and ended with a great season. With the coaching and help of Mr. Mike Pancrazi the girls managed to place a rewarding 8th in the state. They traveled to Sierra Estrell Golf Course in Phoenix to divisionals.

When asked how the teams season went Coach Pancrazi stated, "The new members made lots of progress and they did an outstanding job." The girls practiced at Dessert Hills Golf Course and that is also the place of their home games.

The outstanding golfer this year was Christine Flores who played 7th in the state. There were six new members added on to this years team. Returning to the season were three seniors. Christine Flores, Shelly Ponce, and Shelly Turley.

Varsity Basketball Shoots To Win

Concentrating on the game.

Coach Rodger Thomas was this years Varsity Basketball coach for the second consecutive year. This years Varsity team showed tremendous talent. So far the squad holds a record of 9-7 overall and is 4-2 for the league. Some of the contributing factors for this winning season were the excellent playing abilities of Jimmy Madison, Cedric Shepard. Other outstanding players Luis Jaime, Chris Patane and Jeff Reese. Yuma High is proud of this years Varsity team.

Junior Varsity Plays To Win!

This years J.V. Basketball team had quite a good year. Although the record was 7-8 the talent displayed was excellent. All of this talent was excellently guided by the terrific coaching abilities of Mr. Jeff Magin. He has been the junior varsity coach for three years. This year Junior Atherton and Lucky Arviso lead the team in scoring. While Jay Allee and Corey Scudder did a terrific job on rebounding. Yuma High can all be proud of this years junior varsity team.

This years freshman boys basketball team had an overall winning season. Their record for this year was 8 wins and 6 close losses. The team was coached by Richard West and did an outstanding job for his first year.

He stated that the team had a roller coaster season. He said the team played well with many players reaching individual goals they set for themselves. Coach West expected the players to mature as men as well as ball players, which he feels they did. Overall the team had a great season.

Sports Are Big At Yuma High

Halliwill Faces First Year Blues

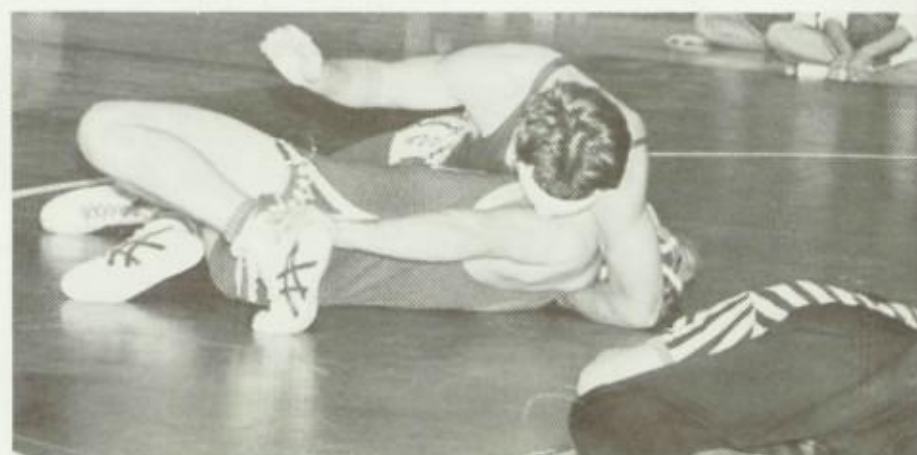

The 1983-84 wrestling season was full of many ups and downs. For first year wrestling coach Rich Halliwill, who transferred to Yuma from Phoenix schools, it was quite a learning experience.

Some of the matches the team would rather forget were due to eligibility problems, flu, and wrestlers not making weight for one reason or another. Their season record was a disappointing 2-7.

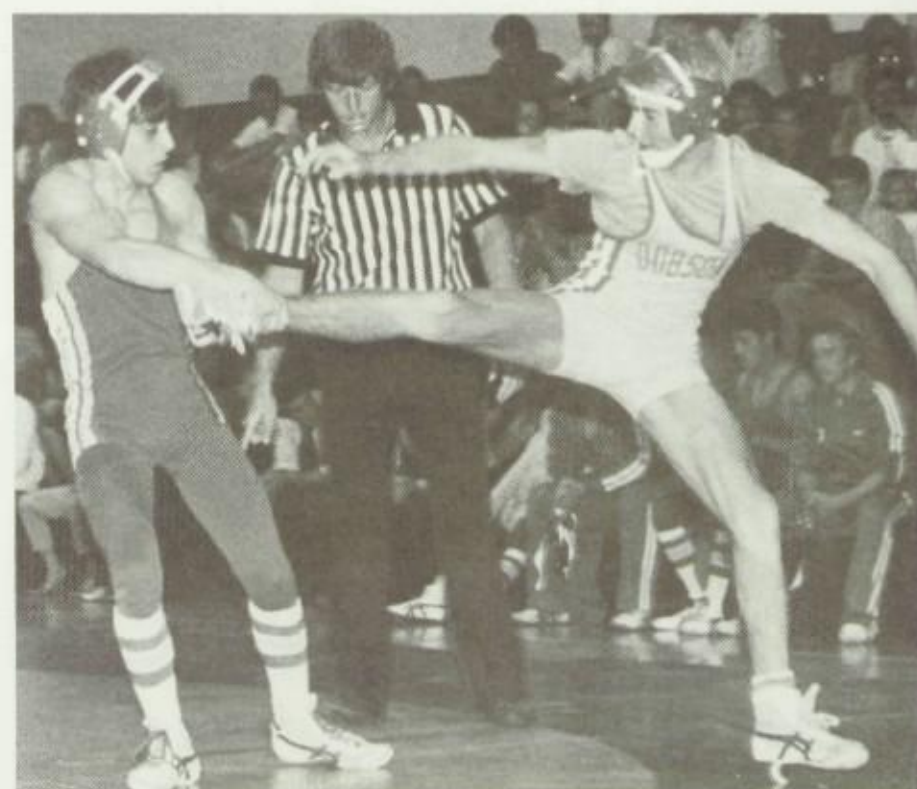

The brighter moments occurred when the team attended the invitational tournaments. At the McIntock and Peoria Invitationals, Jesus Vega and Albert Biebrich, both seniors, took first place honors. Albert continued his fine performance by placing second in the AAA State Championship.

Mr. Halliwill lectures, while wrestlers listen.

Wrestling is a sport of skill, technique, and endurance. It requires nothing but strength, concentration, and wrestling techniques. Wrestling is also a dignifying, and challenging sport because you are the only one on the mat beside your opponent. You have only six minutes in a match to beat your opponent.

This year's Wrestlers were under a new coach who is Rich Halliwill. The J.V. wrestling team did quite well this year. They were greatly supported.

The Yuma High Varsity Softball Team had a pretty good year, with the help of this years coach, Rick Kisselburg. This year the Varsity Team consisted of Freshmen, sophomores, Juniors and Seniors, many of these girls will be returning next year. This years team made it to divisionals and played Westwood, the results were Westwood 42-Yuma 21, unfortunately they lost. Hopefully next year they will do better.

This year the Girl's Softball team did one terrific job. They gave it their all to win. This year they had a new coach Mrs. Claussen, She and the team really got it together for a great season. Yuma High can expect a great season for next years Varsity team. The team consisted of 15 members. The fifteen members acted as one player, one for all, and all for one. Mrs. Claussen said this years team is going to be hard to top next year. Congratulations to the girls.

This year our soccer team had a successful year winning six of ten games played. Coaches were Bill Babb and Ronnie Arviso.

"This was one of the best soccer seasons here", said the coaches. "The members of the team played as one. They were always supporting one another".

This year soccer team had a great manager. He took care of all the equipment and helped raise morals when spirits were down.

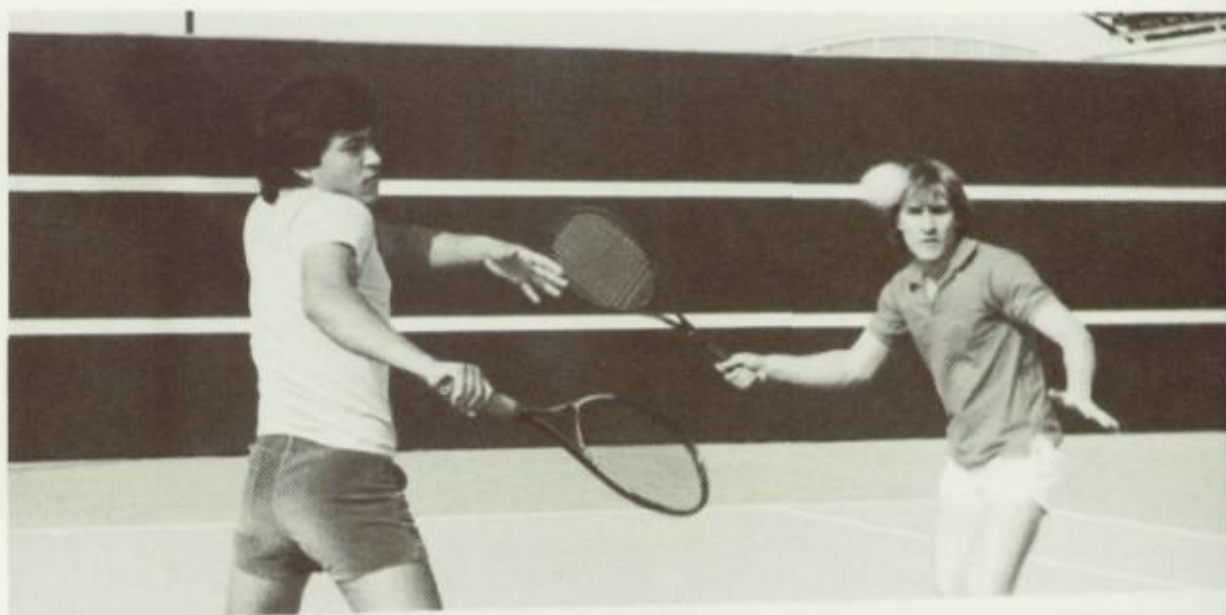

Manuel Gomez is one of the best players in the soccer team here, he is a senior and will be attending Yale University to become a doctor. Yuma High was very proud to have him on our soccer team.

Yumas Boys Tennis Team Swings

This years Yuma Tennis Team did very well considering that we were very inexperienced. Some of the returning players were Richard Deverse, Charlie Durazo, Albert Limon, Pat Mitchell. They added extra depth that really helped the team. This years coach was Mr. Jeff Magin. This was his first year coaching tennis and he really liked it and is looking forward to an even more successful team in the future.

Playing Tennis Is Our Racket

This years Varsity and J.V. girls tennis team has had a good year. The girls are all very talented and show a great deal of enthusiasm. This years coach is Mrs. Givens, she has done a great job. Varsity members are, Terri Curtis, Becky Erling, Sandi Garlit, Lisa Lanager, Kathy Mitchell, and Paulette Schumack. The J.V. members are Kathy Caugh, Debbie Heinsdorf, Kim Holman, Julie Jondahl, Cyndi Kahlen, Jennifer Kinsley, Susan Provenzano. All of these girls deserve recognition for the terrific job they are doing along with the spirit they have.

Varsity Baseball Really Make A Hit!

This years varsity baseball fans can look forward to a winning season. All of this years varsity players have plenty of skill talent, and determination to make this a successful season.

This year there are seven returning lettermen. They are Ramaj Bailey, Art Bedoya, Robert Bennett, Joel Hubbard, Hector Rabago, Ron Ramirez, and Sam Romero.

Coaching this years varsity baseball team for his second year is coach Chris Magdaleno. He has had plenty of experience in this field of baseball. His philosophy for a winning team is "Run to win!"

J.V. Team Strikes A Winning Season

The J.V. Baseball team this year did a terrific job. This was a season to remember. The coach Duncan Philips commented this is a team that is going to the top. And was he right. The team started off the season with a win over El Centro 5-1 was the final score. The season followed and the J.V. team did great. We are looking forward to a fantastic Varsity team next year.

This years Yuma High Girls Basketball teams had an exciting year. In recent years the Varsity was limited to mostly seniors and a few juniors. This year it included many juniors who had the potential to make varsity. The same can be said for the junior varisty team which included not only juniors and sophomores but also freshman. The two freshman who made J.V. were Dena Pollard and Julie Jones.

The coaches for this year were newcomers, Ms. Chris Claussen, coaching the varsity team. Mrs. Ruth Thomas coaching the J.V. team, and Mr. Alan Eddy coaching the freshman team.

Track Team Runs With Style

We had a great track team this year! They worked as a group, together, usually track is a single effort but this year it was a team effort.

Ernestine Muldrow is a senior and she is one of the greatest runner in track. She will be leaving her place to her sister Latrice which is also one of the greatest runners.

Powder Puff Shows Seniority

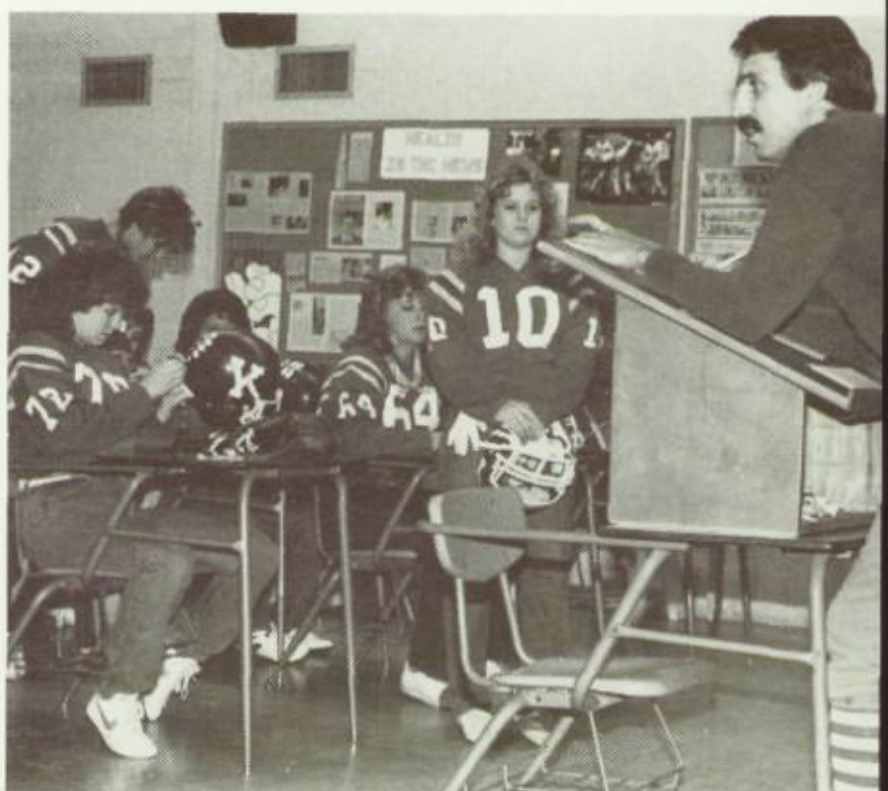

Terry Curtis (Senior) has a jump ball! in Football?

The 1983-84 powder puff game was an exciting one. Although the seniors played hard and strong the victory went to the juniors. The final score was 20-8.

This years powder puff game was not just another fund raiser for the junior class. Instead of the regular 50¢ admission, tickets sold for \$1.00 at the gate. The proceeds went to the James Batemen fund.

The senior girls had their own little fund raiser in order to buy personalized T-shirts for themselves.

Despite the accidents and mishaps that went on, the game was fun and challenging.

This year Blue Diamonds did an outstanding job! They helped support the girls' softball team as well as the boys' baseball team. To make these accomplishments they had many fund-raising projects. This year their fund-raising projects included a flower sale, button sale, Valentine grams, and candy sale.

Blue Diamonds is an organization who help support the baseball teams here on campus. They keep score, announce the games, chase foul balls, and be bat girls. This club has been an organization for about five years'.

AFS: Bringing Our World A Little

AFS stands for American Field Services. This year's Yuma High Chapter has been chosen the number one AFS club out of all the Arizona Chapters. This is quite an honor for the club as well as the students of Yuma High.

The club is very important to sending and receiving foreign exchange students. Various activities are held to make money for these students. This year's club sold spirit ribbons, balloon grams, worked at concession stands, and held the AFS Talent Show.

This year's Foreign Exchange Students were Berna Tunal from Istanbul Turkey, and Isabel Quito from Barsalona, Spain.

The sponsor for AFS is Mr. Ray Sanchez. He has been the official club sponsor for seven years. He recently was honored by being chosen as an International Chap-erone.

Some totally awesome seniors who gave their all to the community by offering club service the maximum number of years possible (three).

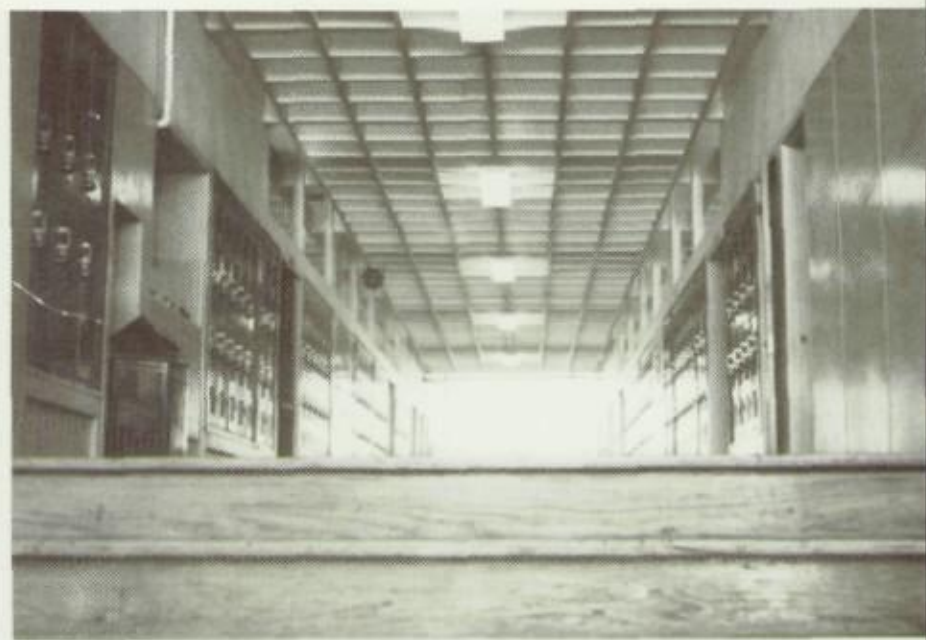

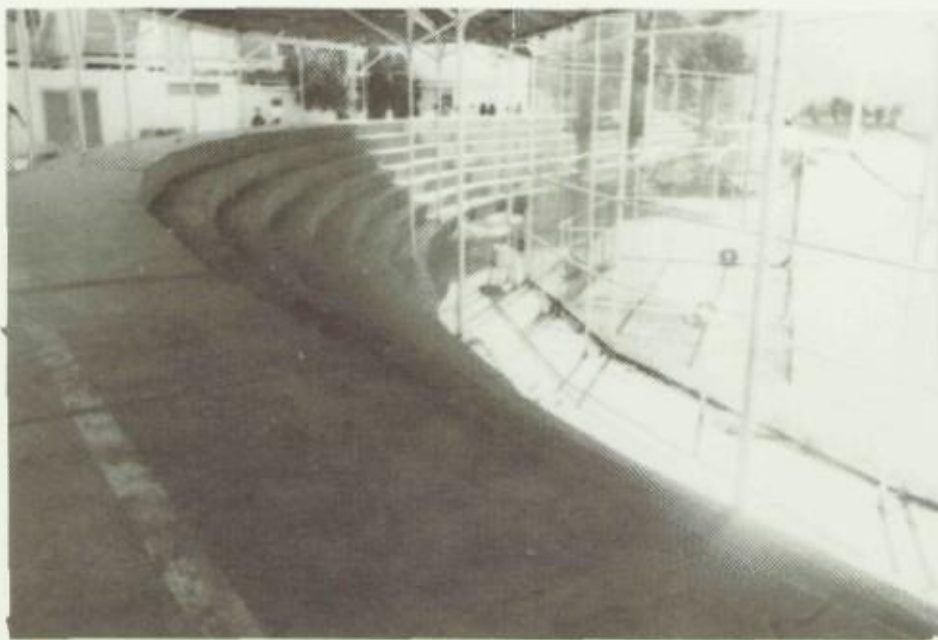

Without these people, the Anchor Club officers, the club would have trouble staying on course. Plus it would be hard to keep the sweet hearts, Frank Cerney and Brad McKinley, afloat and the sponsors, Mr Poage's and Mrs. Isom's heads above water.

The Yuma High Anchor Club's initiation at Peter Piper's Pizza was a night for many to remember, new members like Toni Johnson and Heidi Kahlen, swear it was one they'd rather forget.

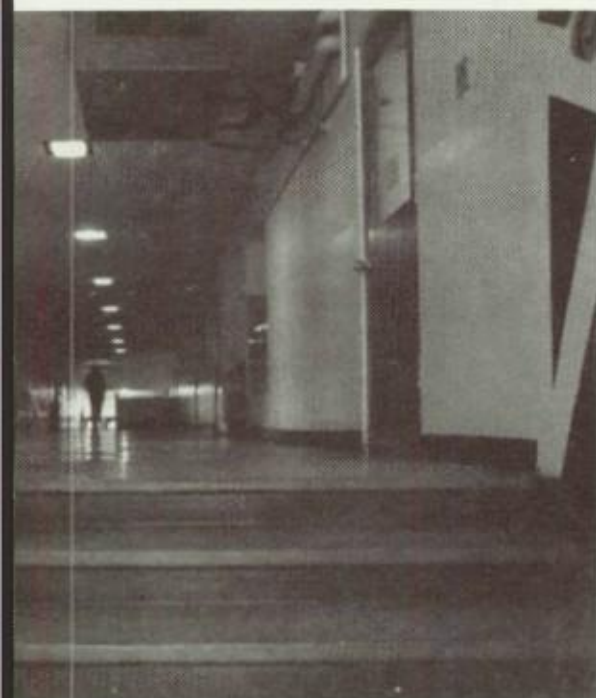

Buildings, A Different Look

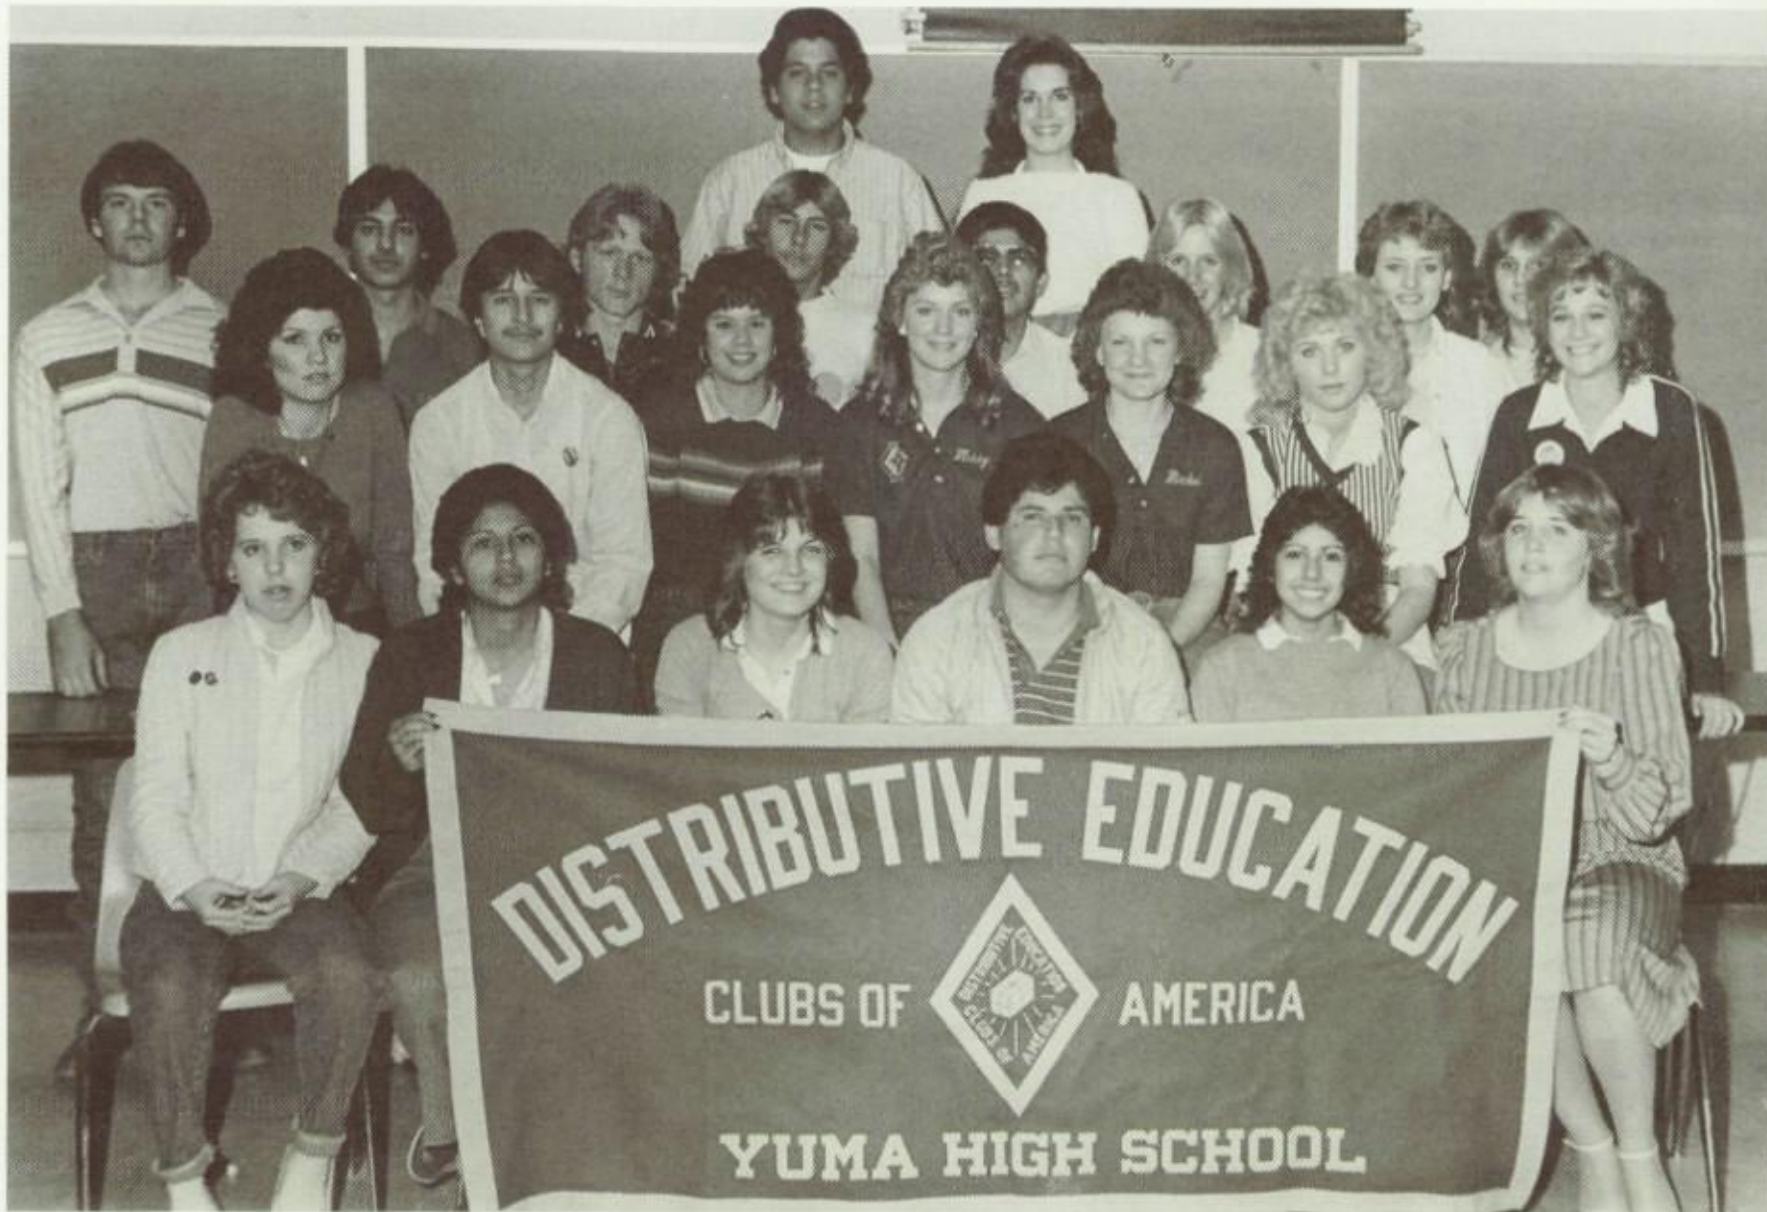

The 1983-1984 Yuma High School campus will be changing radically within the following school years. With the demolition of the Old Ag building, and the renovation of Old Main, our campus appearance will be changed dramatically.

Starting in January of the 1984-1985 school year, they will be finishing up construction on the new three story building that will stand where the Old Ag building has stood for many years past. Hopefully construction will begin before the end of our school year.

For many of us, these buildings bring back a lot of memories, good or bad, I think all of us can recall some moments spent in these buildings. But many new memories lie ahead for all of us, and we'll all remember Yuma High School, as it was.

Preparing Students For The Future

DECA, which stands for, Distributive Education Cooperation of America, is a class as well as being a club. Sponsored by Mr. Billie Cramp, this years members have traveled to two Leadership Conventions along with selling various goods to fellow students and teachers here at Yuma High School.

DECA teaches students about the marketing industry and also helps to prepare them to get a satisfactory job in the marketing industry, one of the requirements to be in DECA is to have a job, having the course counts as one credit along with on the job credit.

This years president is Michele Choules, this years treasurer is Michele McCloud, this years secretary is Dena Acuna, the course consists of both Juniors and Seniors who are interested in employment and gaining knowledge of the marketing industry, this is a very good class to take and will benefit you well into the future.

FUTURE BUSINESS LEADERS OF AMERICA is a national organization for all secondary students participating in business and office programs. The first FBLA chapter was organized in 1942. Yuma High started their chapter 20 years later. Yuma FBLA members celebrated the club's 21st birthday. The members were busy throughout the year selling nachos at football games, candy, cookie grams, and jewelry. They also sold tickets during Thanksgiving for a turkey drawing to help unfortunate members of the community.

The officers along with their sponsors have all worked hard at being the best they can be and getting the club involved.

The first word in the club's name, FUTURE, reminds us that the future of our country depends upon the quality of leadership we are able to produce. The last, AMERICA, depends upon our generation. We should pledge ourselves to use any abilities endowed to us to make America a better place for everyone.

C.O.E. stands for Cooperative Office Education. It is a business class associated with the school club F.B.L.A. C.O.E. is a secretarial business type class where the students learn a variety of office and secretarial skills along with the procedures of a business. The students are then placed in clerical or secretarial jobs where they receive credit for on-the-job training.

Being both the teacher and sponsor of this class, Ms. Rochelle Brown is hard working and dedicated.

V.O.E. Is Training For Tomorrow

V.O.E. stands for Vocational Office Education. It is the sister club of F.B.L.A.

V.O.E. is made up of all students enrolled in a business class. One of the organizations main purposes is to prepare the business students for future jobs in the business world. This training can lead to a successful career in the near future.

Also by offering many different kinds of courses a student can find out if employment in the business field is something they would enjoy.

This year FEAST worked hard like they've been doing for the past few years. FEAST is Food Education and Service Training. The class is made up of three basic parts: class, club, and O.J.T. (on-the-job Training).

They went to a state conference in Phoenix and took a trip to California. Their sponsor is Ms. Levin.

Many of students held down jobs in restaurants and other food service locations around Yuma to get their OJT.

In class Ms. Levin brought out many aspects of cooking and how to be a good boss or employee.

Health Careers is an organization who is always willing to answer any of your questions that you may have about you or your health.

Some of the members of this organization have attended a Med-Start Convention at the University of Arizona. While attending the convention they learned many, many new things, which they hope to put to use in the upcoming years.

Health Careers is a very active organization at Yuma High. Their activities consist of selling flower grams, button grams, and their most money-making project is there pickle sales which is an all-year project.

FCA; Shares, Cares And Believes

As one of the newest clubs on the Yuma High campus, the Fellowship of Christian Athletes has provided an opportunity for all students to share their concerns, doubts, feelings and faith. Students share and work together around the common bonds of school, sports and christianity. To provide a strong christian influence on campus has been the continual purpose of F.C.A., and the activities centered on weekly "huddles" (meetings) where sharing and learning take place. Special functions especially with other F.C.A. chapters have taken place. To have an impact on the school, community, and most of all, on each student is the goal of F.C.A. with the challenge and adventure of receiving Jesus Christ as Savior and Lord as the prime focus.

The officers of FCA aim to seek togetherness at Yuma High School.

Performing Modern Dance Sparkles

Director Tammy Craig surrounded by future dance stars.

This is the first year Yuma High has had a performing dance club. To be admitted into the club you must be in one of the modern dance classes offered here at school. In the class you have the opportunity to learn tapp, jazz, afro-jazz, modern dance and aerobics.

The girls have put together numerous dance routines with the supervision and help of Tammy

Craig. They have performed for the adult center, St. Francis Bar-B-Que, and have put on a performance for the school.

Ms. Craig is the dance instructor and she sponsors the new club. All together they have had a very successful year. The club strives to reach out and teach modern dance to primary school and interested people.

The National Honor Society is an organization for high school students who have done exceptionally well academically. Juniors and seniors who have a 3.50 GPA or higher are welcome to apply for membership.

Another important aspect of club membership is community service or service to the school. NHS members

must earn a certain number of hours doing community service or helping fellow students with tutoring.

The organization thus has two important goals: acknowledging academic attainment and acknowledging service to the community and school.

The Yuma High Z-Club has had a terrific year. The officers were President Kay Hilley, Vice President Maria Carvajal, Secretary Ceci Torres, and Treasurer Cheryl Ruiz.

Z-Club, having Zonta Club of Yuma as their mother Club, was fortunate to have a few prominent members as advisors. The special thing about them was that they were there not only to advise but also to be a supportive friend.

The club has worked hard, finding new and different ways to raise money for the community, some projects were: the traditional "Bake Sale", candy sale, and sponsoring a dance. Another project that they really accomplished was actually getting involved directly with the community.

The Yuma High Fashion Invasion

Cecilia and Lourdes agree that clothes do make a man. They prove this by hanging around with John Howard!

Mercy and Beth's high hemlines demonstrate their sex appeal.

Fashion invades Yuma High. By looking across the campus you can see fashion representing the youth in this school. The fashion is deeply influenced by California and its style of behavior.

There is a definite fashion bend toward a clean cut look in clothing as opposed to the rag tag look of years back.

But, of course, by looking on these pages you can see both worlds. Colors clashing so wilding it gives you earaches and nosebleeds. But that's Yuma High.

Dresses are in style all year long for Nancy Cedillo and Sandra Ortiz.

No, Stefanie Hartley does not have a back problem. She's impersonating Marilyn Monroe.

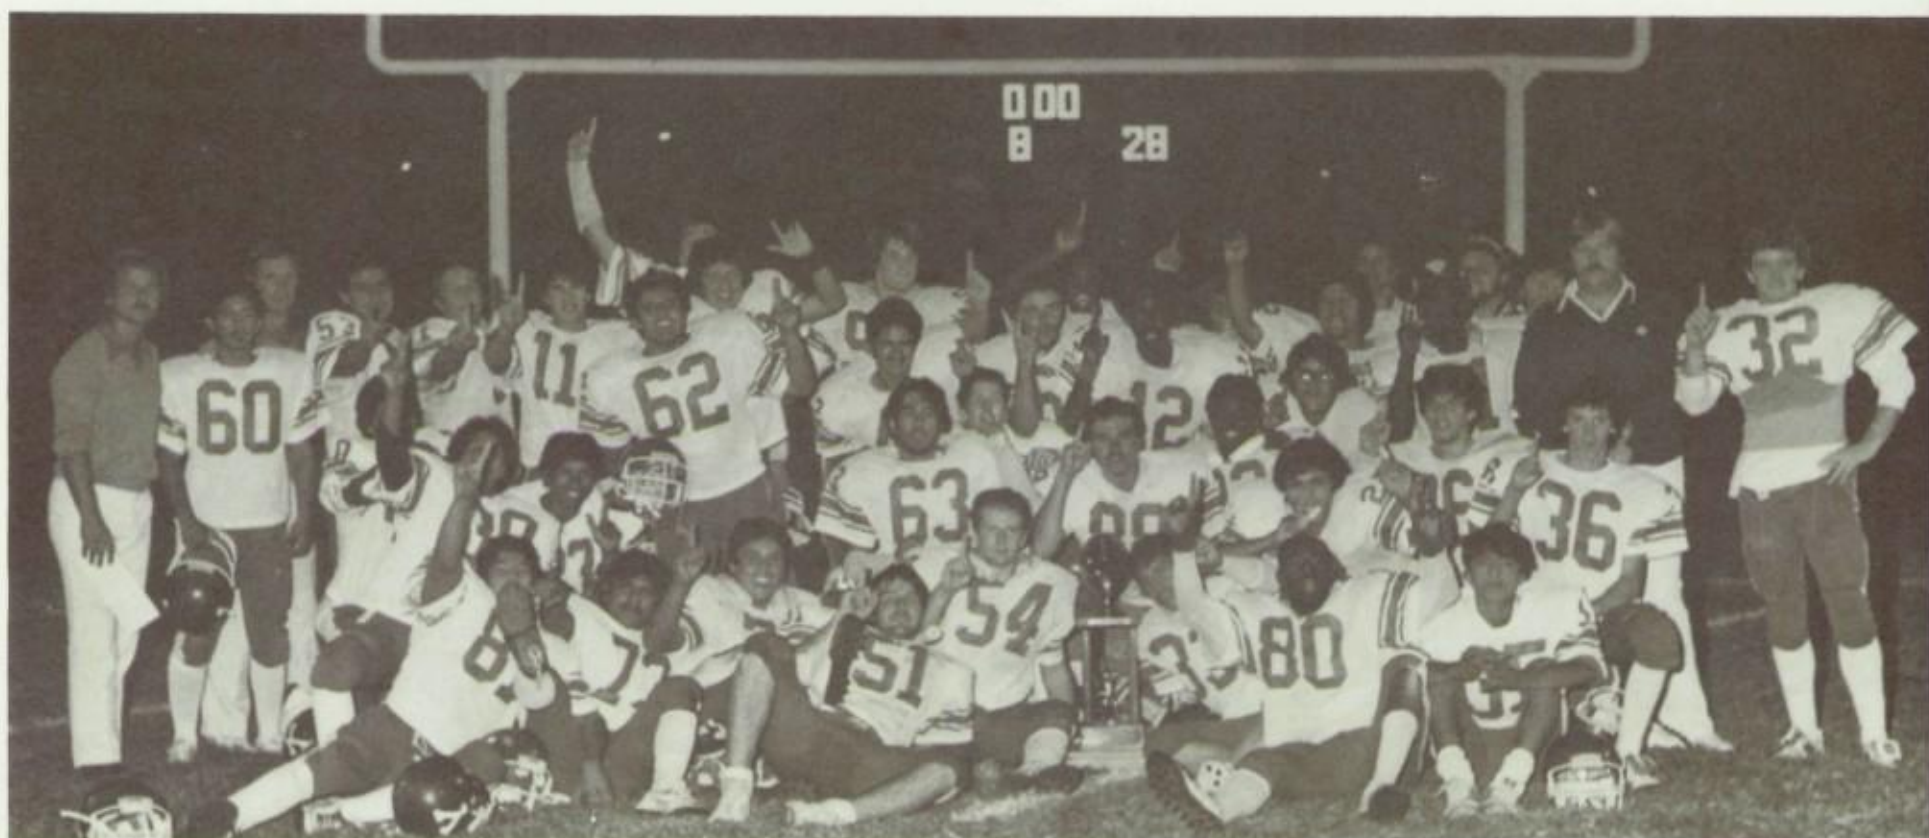

Lisa and Javier take a minute out of their busy schedule to have their picture taken.

We ♥ Yuma High School Criminals

The class of '84 got especially enthusiastic about the game, with cheerleaders, student council members and seniors Henry, Larry and Todd showing their criminal insanity.

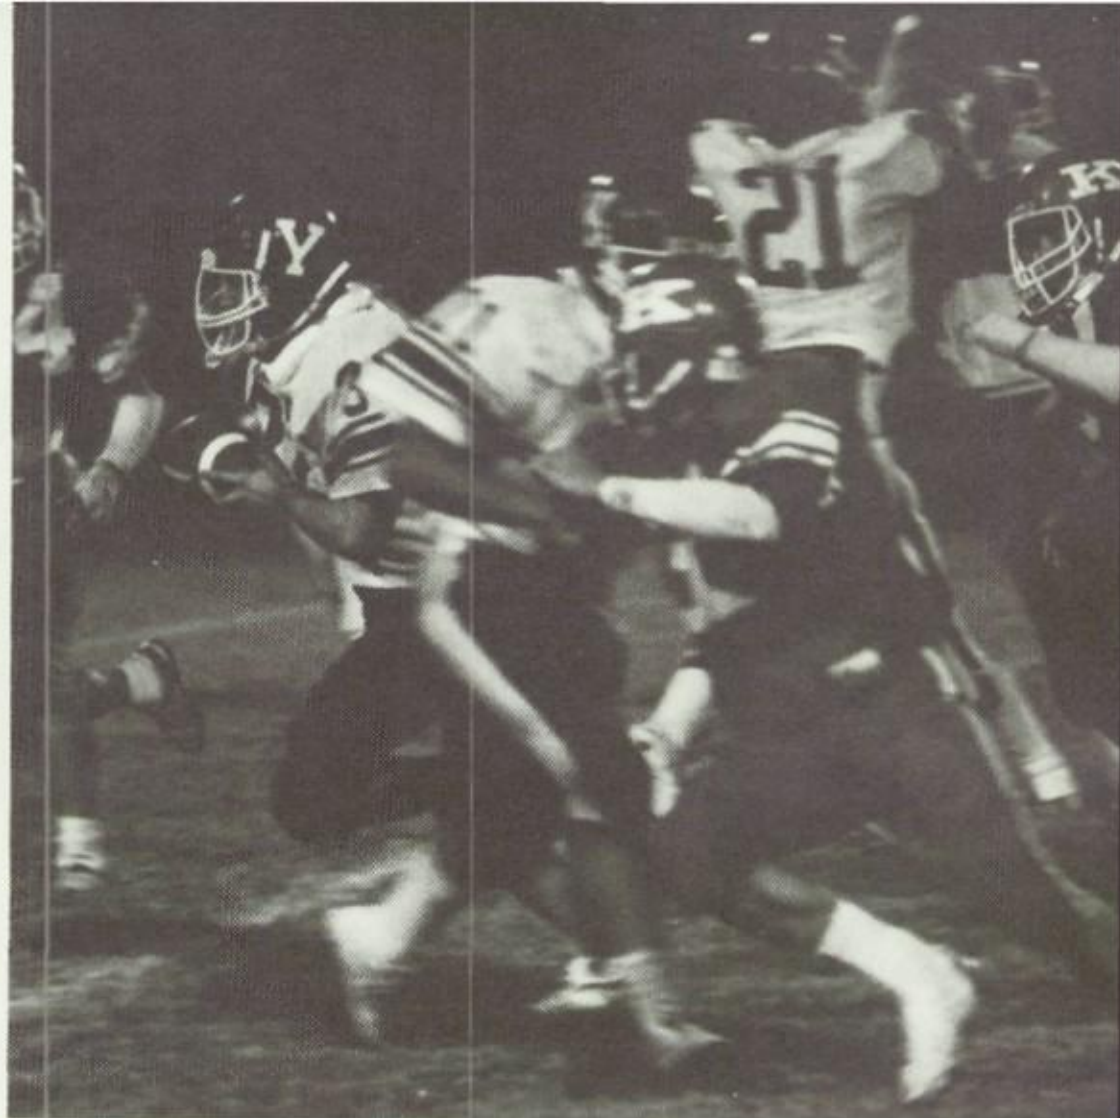

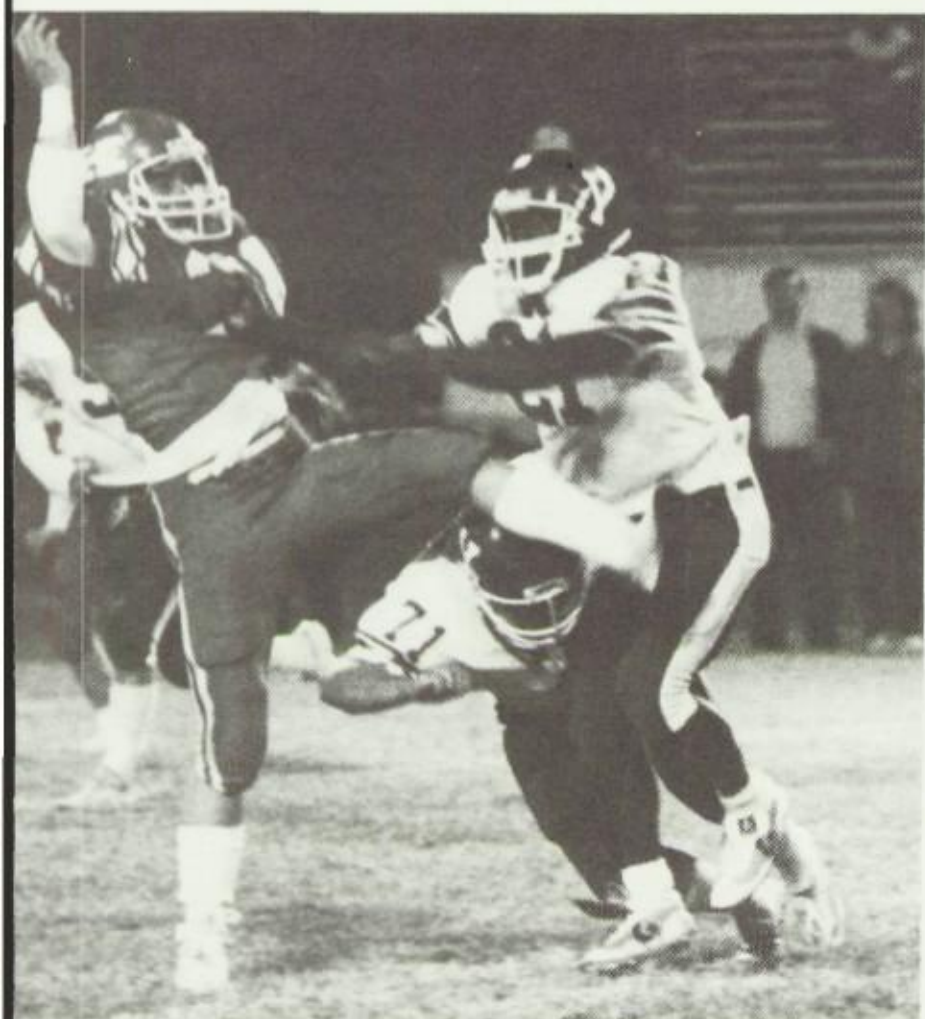

The Yuma Crims raced to a 28-0 lead during the first half and held off the Kings for the City championship.

The odds were against Kofa from the start, having lost four key players to ineligibility. Still, Yuma's offense came alive and along with our hard-working defense kept Kofa from scoring until the last quarter of the game. The mighty Crims took advantage of the King's defensive loss and scored on an 80 yard drive on their very first possession.

The week full of traditional activities arranged by Student Council ended with the Criminals proving they are the superior of Yuma's two high school football teams!

Laird runs through Kofa and knocks the Chet out of them.

The victory bell rang four times during the first half, so like these balloons, Yuma High's spirit was flying high!

You've Got A Friend Forever

"You've Got A Friend" was this years Brotherhood Week theme.

What does one think about when the word brotherhood is mentioned? People being nice to each other, putting aside their differences for at least a short week and the good feeling one gets from being sensitive to others needs.

We started the week with a triple assembly. Mr. Fred Eckley, a Vietnam veteran, talked on how to handle someones handicapp.

Wednesday was warm fuzzie day. Those hug coupons can work miracles. It's great giving hugs, but its even better to receive them. All that hugging can really make someones day.

Thursday we had another assembly. Mr. Eddie Basha talked about human kindness and prejudice.

Friday was full of workshops that were fun. They were more than just fun, they were also very informative. At the end of the day everyone met in the old gym to see slides of the entire weeks events.

At night the teachers had a show to end the entire day. It was called "Laugh-In". The teachers showed the town that they too can participate. Everyone came to cheer them on.

A Congratulations to all who took part with Brotherhood Week. It was a great success and all of you deserve a pat on the back!

Trucks On YHS Campus "83-84"

This year on the YHS campus, there were a lot of really nice trucks to be viewed by YHS students. We've selected five of the hottest trucks on our campus this year, and have shown them here. We would like to recognize some of the other nice trucks on campus that aren't shown on this page. Mike McAdams, and his burgandy and silver Chevy 4x4, Melissa Mitchell's totally reconditioned white Datsun which we feel looks really sharp, Larry Ott's radical jet black, high performance Chevy 4x4, and Kevin Borland's white Chevy Luv.

Goodbye Dr. Plath

District Provides Leadership, Help

Dr. Paul Plath
District Superintendent

Being a school board member, elected by the voters to direct the operations of a school district, has been described as one of the most thankless positions in government. While putting in hundreds of hours, they receive no monetary compensation: only the satisfaction of helping to provide the quality education of the Yuma Union High School District.

Presently serving on the board are Mrs. Maureen Keegan (president), Dr. Robert Cannel (clerk) and members George Biltz, Mrs. Patt Holland and Ed Hansberger.

Overseeing the day-to-day operations for the past 10 years has been Superintendent Dr. Paul Plath, who this spring submitted his resignation effective the end of the school year.

The district office and others in the educational community were saddened this year as longtime staff member Mrs. Florence Birmingham passed away after a short illness. Mrs. Birmingham was secretary to the Superintendent and the Board. Her pleasant smile will be missed by all who knew and were touched by her.

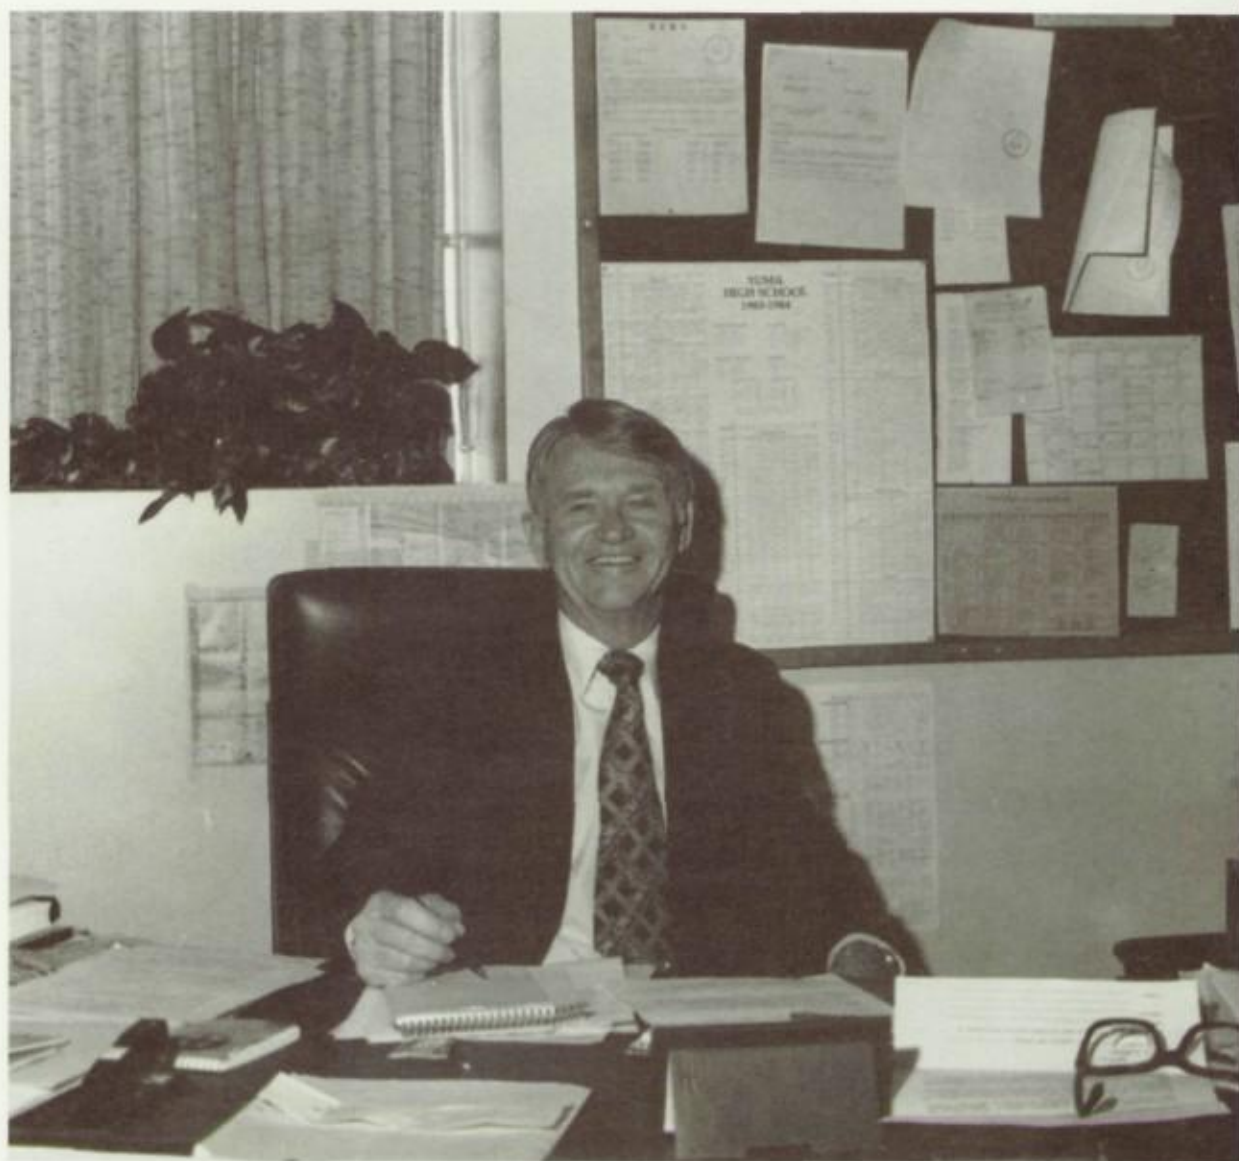

Mrs. Maggie Gard, who began the year as secretary to Yuma High Principal Dr. Dick Slinker, was appointed to the district position at the first of this year.

Another Year With Dr. Slinker

1983-84 was a very good year at Yuma High School. We saw construction begin on our new building, and we initiated several programs aimed at improving the learning experience for our students. It became evident that our students had accepted the challenge to become more serious about their education. As in the past years, the student body, faculty and staff indicated their concern for one another in various ways, and truly added to the image of Yuma High School with a heart.

Many academic honors as well as honors in other areas were received by our students. Test scores showed that our students were performing quite well in comparison to state and national norms. Several of our faculty members received recognition from their peers and other outside organizations for teaching excellence and other contributions to education further substantiating the quality of our faculty and staff. It was, indeed a good year at Yuma High School.

Dr. Slinker gives a cheerful smile, after a busy days work.

Vice-Principal And Registrar

Mr. Holland, our vice principal who taught in the Science Department for twenty-one years, said, "This year has been very exciting." Mr. Holland stated that "It was a very big decision to move out of the classroom and into a full time administration position, I think the decision to work with all the faculty members toward a continued upgrading for our school wide curriculum, was one of the deciding factors in applying for the position." Mr. Holland stated that "The position was very challenging and rewarding. He looks forward to the on going opportunity of working with all certified, classified, and administrative personnel as well as with students, in maintaining a high level of educational achievement at Yuma High School.

ean Holland, a very busy man, gets time out for a break.

Glenda Sonoqui and Esther Ochoa smile with relief.

Peggy Frazier, works with our computer system.

This year we had a new assistant principal, he was Mr. Murrell. He was in charge of the Yuma High athletic department. He saw that our players played with good, honest sportsmanship and he also was present in some games to see how things were. Murrell's secretary was Mrs. Elsie Steen. She said that she had really enjoyed working with him and is looking forward to next year.

Ms. Bruno was very busy with the students activities, but even though she had alot of hard work, she had a very productive year. Ms. Bruno's secretary was Mrs. Corol Nolen, she did a very good job as always.

The secretaries were always there when their bosses needed them as well.

We are glad and proud of our assistant principals and their secretaries.

Mr. Murrell is answering one of his many calls.

Assistant Principals Make The Grade

Ms. Jackie Bruno is having a hard day at work.

Mrs. Elsie Steen and Mrs. Carol Nolen are finishing the days work.

They Have All The Right Answers!

Mrs. Anderson answering one of many of her calls.

The Yuma High counselors were great this year. They were there when students needed their help. In school or in personal problems. If a student needed some one to talk to they were their. They were there at all times. The counselors did a terrific job. Well they did their very best.

Our head counselor this year was Mrs. Anderson. She had new ideas for this year, and they worked great.

Mrs. Betty Dunn is doing her job.

Mrs. Anderson Mr. Eddy
Mrs. Cabrera Mrs. Fifield ✓
 Mr. May

This year we had two new counselors, Mr. May and Mrs. Fifield. Mrs. Fifield is the new counselor for the migrant program.

With the help of the returning counselors everything went as smooth as could be expected. Congratulations on a job well done.

Helping Is What They Do Best!

Phyllis Turner, Linda Collins, and Billie Cothrun

The librarians at our school have an never ending job with having to keep books in order, along with helping students research for their term papers. With all the work they do our librarians, Phyllis Turner, Linda Collins and Billie Cothrun do an excellent job and the students really appreciate them and their dedicated work to helping us.

Our nurses are always friendly and willing to help us. They are always here for our aid. The nurses also help out by giving physicals, hearing tests, and eye tests. They are also willing to come to classes to give presentations on many different subjects. With all their skills, the three nurses Helen Rice, Roselane Herweyer, and La Wanda McVey do an extremely well job keeping everyone healthy.

These People Are Very Helpful

Yuma High Schools Teachers Aides help out with the different departments on campus. They give extra help to all the students, also to the teachers. This years aides are, Francine Belcher, Rosa Brown, Mona Henley, Carol Kilmartin, Ykiko Knoshita, Linda Mortenson, Ray Sanchez, Janet Snyder, Socorro Uraine.

The Yuma High School Bookstore has all the school supplies needed for students. Pearl Talamantez is the manager and Kathy Riley is the Students Accounts Bookkeeper.

Audio Visual has the films, cassettes, projectors etc. needed by the teachers. Lee Fossee is the coordinator and in charge of all Audio Visual equipment.

Harold Neece does a great job as our athletic equipment manager.

Keeping Us In Line Is Their Job.

Our campus security does an excellent job taking care of the many problems we face every day here on the Yuma High Campus. Their jobs consist of checking for hall passes, getting students to class on time, watching over student activities and trying to keep everyone out of trouble. Having Barbara Sullivan, Ron Vogt, and Bill Schwab as our security we are in safe hands. The security does an excellent job considering how much work there is to be done here on our campus.

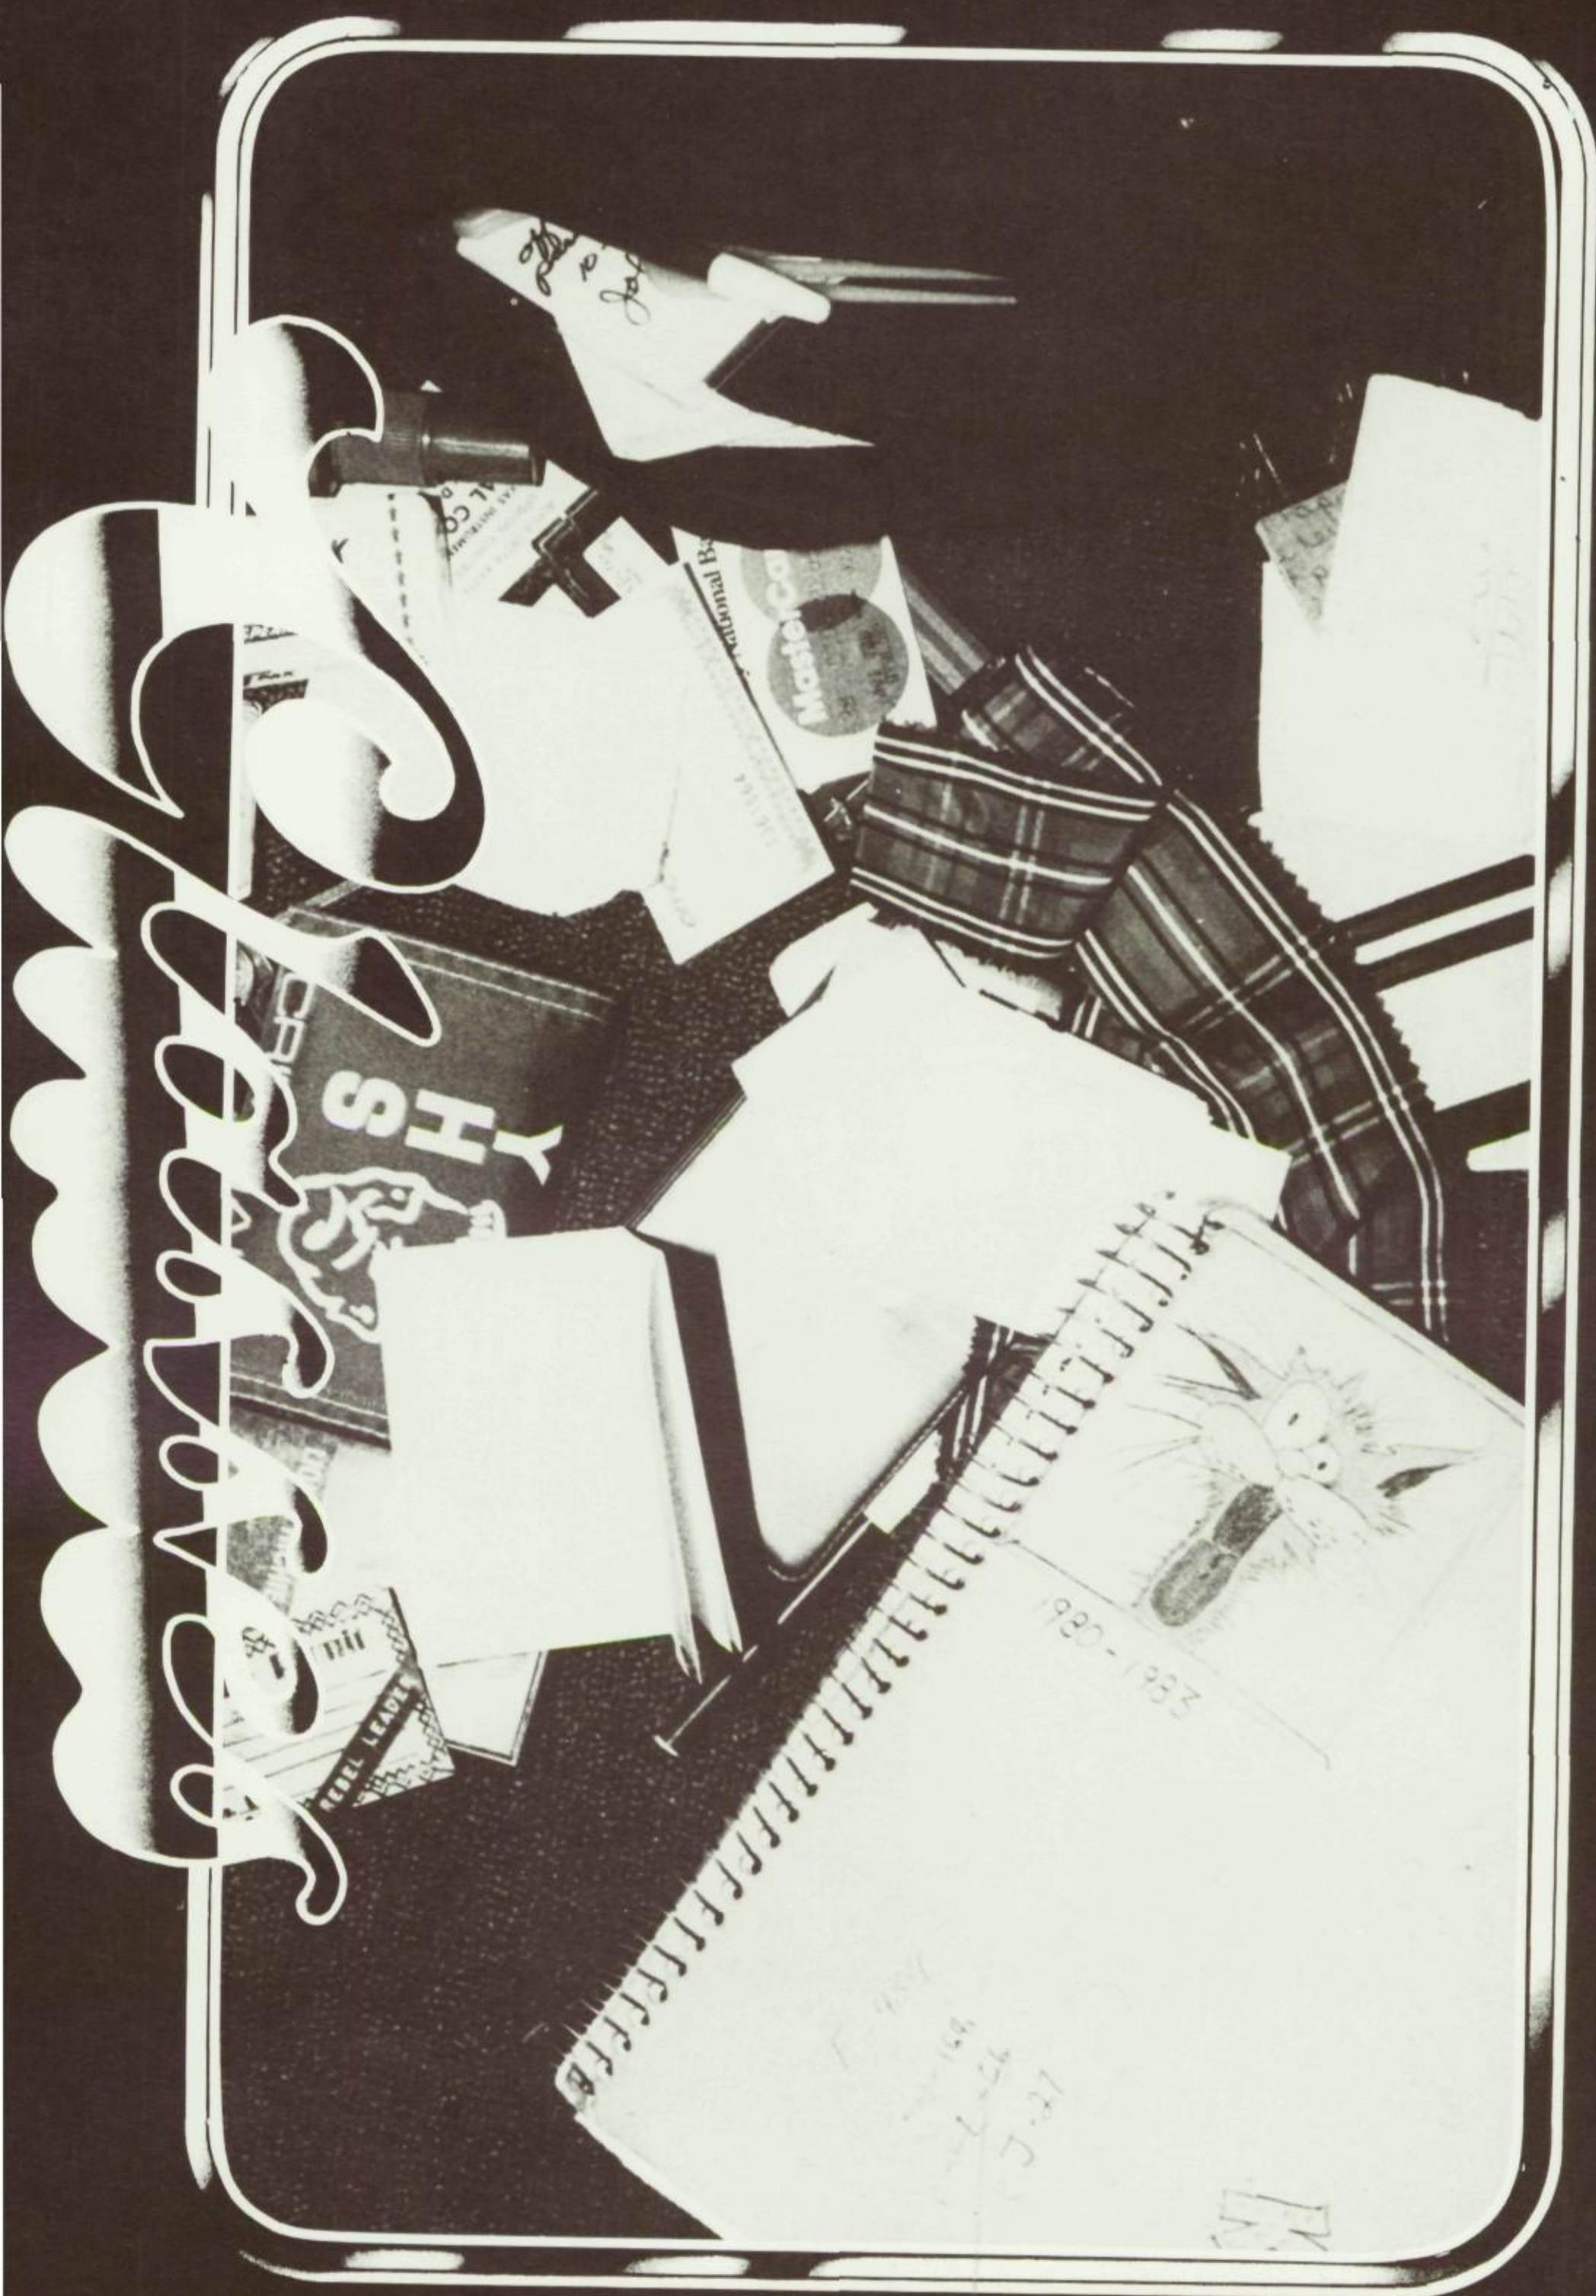

The YHS bus drivers are responsible for getting the students to and from school. This is a hard job and all the drivers do a very good job, without them we would have no main transportation.

What would Yuma High do without us students? This school is what we make it. We are a large family who whenever needed, we are always there to lend a helping hand.

Like all families we have our ups and downs, but we always seem to bring ourselves back up and fade out the bad times with good ones.

Never underestimate the power of the CRIM!

The little people entertain the public at halftime. Aren't they cute!

I just washed my hair and I can't do a thing with it.

Maybe if I keep my hands over my face they won't notice my pimple.

Ha Ha These freshmen still have three more years to go.

Lets make hand shadows on the wall.

I can't understand the dumb squiggly lines on this paper.

Does my purse hide the spot on my skirt?

Just think someday I'll be a freshman.

Gee I hope I can find that quarter I owe Mary.

*Dedicated to preserving
Yuma's rich history*

Our building was built in 1899 and is the oldest mercantile building in use in Yuma. Now a beautiful and completely restored shop where you'll find gorgeous clothing and arts and crafts imported from all over the world. The most and best in the Southwest. Truly unique.
